The success of the Geary County Free Fair depends on the cooperation and help we all give each other. No matter how hard each of us try there will always be areas of our program that need to be changed and updated. In areas of judging that involve personal judgment, there will always be differences of opinion. For these reasons, we have established the following grievance procedure:

1. All comments, grievances, criticisms and suggestions should be put in writing and given to the appropriate superintendent.
2. You should indicate your grievance/ suggestion and a possible alternate solution.
3. The superintendent will make a decision after discussing the situation with the adult assistants in their division. During fair, superintendent's decisions are final.
4. Extension Agents need to be informed only of the final decision, although, they are always available for assistance with the decision.

A. Read and be familiar with all General Rules concerning the 4-H Division of the Geary County Free Fair.

B. Read and be familiar with all special rules concerning your division.

C. When questions come up which aren't covered in the fair book, use same procedure as grievance.

D. As the fair progresses, write down any suggestions that you have to help your department for next year's fair and bring them to the fair office or leave them at the Extension Office following the fair.

E. Set-up Day

1. Be present to get your department set-up and ready. Arrange the judging area as you need it for your division. This includes tables, chairs, etc.

F. Entry Day

1. Be present to accept exhibits and ensure they meet specified rules and requirements.
2. Make sure all exhibits have a completed entry tag securely attached.
3. Arrange exhibits in the division area.

G. Judging Day

1. Assist the judge during judging of exhibits – answer the judge's questions, but do not provide opinions about the exhibits.
2. Do not let people bother or talk to the judge while he or she is judging. Check with the judge to see if they mind parents and/or project leaders listening in on conference judging.
3. It is your responsibility to make sure the judge follows our fair rules and classes. If they change the classes or rules, all entries will have to be re-judged, according to our rules with no additional compensation paid to the judge.
4. Attach ribbons to entry tags or exhibits.
5. Entry cards are marked with ribbon placing by placing an X in the appropriate ribbon box at the bottom.
6. Assist division secretary and assistants in collecting necessary class and division information for department packets. Careful handling of this information is essential for figuring premiums and releasing results to the media. When all of your division's results are gathered, see that your department box is returned to the fair office.

H. Throughout Fair

1. Supervise the cleanliness of your respective department, in doing so ensuring the exhibitors maintain areas in a neat, orderly, and presentable fashion. If unable to be present for walk through of areas, work out a schedule with assistants to ensure your department is routinely checked throughout the fair.

I. Release of Exhibits & Clean-up

1. Be present to release exhibits at check-out time and be present to assist with clean-up.

J. Livestock Department Specific Duties

1. Ensure animals are lined up and ready to enter the show ring.
2. Enlist ring stewards, announcers, clerks, etc. as needed to ensure livestock show runs smoothly.
3. Ensure the arena/show ring is cleaned up after each show.

A. Read and be familiar with all General Rules concerning the 4-H Division of the Geary County Free Fair.

B. Read and be familiar with all special rules concerning your division.

C. You are responsible for the entry cards for your division.

D. You will be given a copy of the entry card with the placing marked. Follow these steps:

1. Make sure the entry card has the placing clearly marked.
2. Indicate Class and Division Champions and Reserve Champions on the entry card and Division Champions and Reserve Champions on the purple champion sheets.
3. Divide all entry cards by class. Paper clip each class together and place a rubber band around all classes within a division.
4. Place cards in zipper pocket in box.
5. Take box to the fair office. Please wait for office staff to make sure they don't have any initial questions before leaving.

A. All possible care will be taken, but fair staff cannot be responsible for accidents, loss or damage. Any exhibit brought is "at your own risk".

B. Under Kansas Law, there is no liability for an injury to or the death of a participant in domestic animal activities resulting from the inherent risks of domestic animal activities, pursuant to K.S.A. 60-4001 through 60-4004. You are assuming the risk of participating in this domestic animal activity.

C. The Geary County Free Fair Board strives to maintain facilities that are safe for livestock, exhibitors, and fair visitors. All reasonable effort is expended to ensure that stalls, pens, plumbing and wiring are safe.

D. Any electrical devices, including but not limited to extension cords, fans, blowers and clippers, brought onto the fairgrounds by exhibitors are expected to be defect free and in safe working order. The Fair Board reserves the right to remove any equipment that is deemed to be a potential hazard to livestock or participants.

E. Geary County, the Geary County Free Fair Board, and the Geary County Extension Council and staff are not liable for injury, death or damages caused by faulty electrical equipment.

A. Only youth enrolled in 4-H Community Clubs, Project Clubs or Cloverbud 4-H Clubs in Geary County as shown on county records are eligible to exhibit in the 4-H Division of the fair. 4-H members may exhibit only in projects in which they are enrolled.

B. All exhibits must be the handiwork of the exhibitors where mechanical skill is required; the grower, where agricultural exhibits are shown; and the owner and feeder, where livestock is entered. It must be the result of the current 4-H year's work. Violators will have exhibits disqualified and will not receive premiums.

C. All indoor exhibits are to be in place by 7:00 p.m. Monday, except Agronomy, Floriculture, and Horticulture. These exhibits can be entered Monday from 4:00 p.m. to 7:00 p.m. or Tuesday by 11:00 a.m.

D. Members are responsible for seeing that an entry is properly tagged. **DO NOT LEAVE YOUR EXHIBIT BEFORE IT IS TAGGED.**

E. Judging of various divisions will be done from Monday, July 15th through Thursday, July 25th. Check the department information for definite time and date of judging.

F. If you have a conflict with any of the conference judging times, contact the Extension Office for assistance and options.

G. Each member is limited to two entries per class unless otherwise specified in the department regulations. Each exhibit can only be entered in one department.

H. Champion and Reserve Champion ribbons will be given in all divisions unless specified otherwise at the judge's discretion. These award placings are ribbons only and do not receive additional premium money.

I. When one exhibit goes from purple ribbon to Class Champion, Reserve Class Champion, Division Champion or Division Reserve Champion, only the highest ribbon earned will be kept with the exhibit. The lower ribbons must be returned to the superintendent's box or the 4-H Fair Office. Premiums are paid only on the highest ribbon received by each individual exhibit.

J. Ribbons will be placed on exhibits.

K. Generally, exhibits receiving purple ribbons are eligible for State Fair competition, provided there is a class at the fair and the 4-H member meets age requirements as outlined in the State Fair Guidelines. Classes which are eligible for entry to State Fair are indicated with *.

L. In cases of conflicts or questions, see Grievance Procedure.

M. Exhibitors should learn the guidelines and exercise caution when using copyrighted materials whenever possible by originating their own work. Exhibitors should use with caution a copyrighted and/or trademarked product or service. Copyright and trademark are legal methods used by writers, artists, corporations, and others to protect their original work. Protected items may range from books to music, logos to computer graphics. Copyrighted and/or trademarked materials used in banners, displays, posters, or other exhibits will be disqualified if the exhibitor does not request permission to use the copyrighted and/or trademarked materials and will not be displayed or receive ribbons or premium.

N. A representative of the Geary County Free Fair Board and the Fair Superintendent of the area involved reserve the right to remove from the grounds any exhibit or animal that may be falsely entered or may have any sign, banner, or advertising matter of any kind which may be deemed unsuitable or objectionable to them without assigning a reason therefore. These exhibits will not be allowed to show or sell.

A. Members are responsible for seeing that animals are maintained throughout the fair. If neglect is observed, ribbons and premiums will be withheld.

B. An animal may be shown in a market or breeding class, not both.

C. Market animals not meeting minimum weight requirements will not be allowed to show for champion.

D. Livestock stall cards must be hung and visible by 2:00 p.m. on Tuesday.

E. No intact males of large livestock species will be allowed at the fair (includes beef, sheep, swine, dairy and goats).

F. Each exhibitor must show his/her own animal unless excused by the division superintendent. If a member has more than one animal in a class, another 4-H member may show it.

G. Absolutely no straw can be used as bedding. In the sheep/swine barn, one bag of wood shavings per pen will be provided. Additional bedding needed will be provided by the exhibitor.

H. ONLY GEARY COUNTY 4-H PARENTS AND FELLOW GEARY COUNTY 4-HERS MAY ASSIST IN THE SHOWING & FITTING OF ANIMALS. This will be enforced. Members will be disqualified from showing for violation of this rule. Parents are encouraged to let 4-H members do the work and only to offer supervisory instruction when possible. NO PROFESSIONAL FITTERS ARE ALLOWED.

I. Full body shearing and clipping of animals must be done prior to fair. Only fitting and touch-ups will be allowed during fair.

J. Each 4-H member is responsible for cleaning stalls used by his/her animal(s) during the fair and after the sale. 4-H members are responsible for checking with the adult superintendent of the division for clearance on completion of clean up. Any money earned at the fair will be forfeited for failing to clean up after your animal(s).

GENERAL

A. Exhibitors, their parents, leaders and instructors have a serious responsibility to use animal health aids (drugs), growth promotants and any other approved materials with great care, and only when needed and in correct amounts. APPROVED WITHDRAWAL TIMES ARE SET AND MUST BE FOLLOWED to assure that meat consumers receive wholesome food.

B. The giving of an oral or injected diuretic, growth promotant or other medication not approved for any domestic animal constitutes an unethical practice. The Geary County Free Fair reserves the right to have a blood, urine and/or tissue laboratory analysis made on ANY animal entered in competition. An exhibitor of an animal producing an analysis with a quantity of diuretic or any unapproved medication will forfeit all prizes and premiums.

C. All animals are subject to examination by staff or their representatives, and shall be free of clinical signs of infectious or contagious disease. Animals determined by exhibition staff to have not met listed requirements will not be permitted to exhibit.

D. Animals originating from other states must meet Kansas import requirements and must have a valid Certificate of Veterinary Inspection (CVI).

- B. Rabbits originating from other states
 - 1. Must meet Kansas import requirements and must have a valid CVI.

SHEEP

- A. Sheep must meet the general requirements.
- B. In addition to the general requirements, all sheep must be:
 - 1. Identified with an official USDA premise ID tag (Scrapie tag).
 - 2. Free of any signs of sore mouth
 - 3. Free of clinical signs of active fungal (ringworm) infection, including club lamb fungus.
- C. Sheep originating from other states
 - 1. All sheep must have official ID. ID must be individually listed on accompanying CVI.

SWINE

- A. Swine must meet the general requirements.
- B. Swine originating from other states must also meet one of the following requirements:
 - 1. Must have official ID. ID must be individually listed on accompanying CVI.
 - 2. Must obtain an import permit number prior to movement into Kansas.

A. 4-H members will be given the opportunity to sell in the auction ONE of the following that was exhibited at the current year's fair:

- 1. Market Beef (at least 1100 pounds)
- 2. Market Goat (at least 50 pounds)
- 3. Market Lamb (at least 100 pounds)
- 4. Market Swine (at least 220 pounds)
- 5. Rabbit (Meat Pen Only)
- 6. A Project

B. 4-H members must be present to sell their animal or project.

C. In order to sell in the fair auction, a 4-H member must attend in-person at least four regular monthly meetings of the 4-H club in which they are enrolled between October 1 and June 30 of the current 4-H year. The official record of meetings attended will be the club secretary's book.

D. Auction costs such as buyer ribbons and an ad thanking the auction buyers will be paid by the Geary County 4-H Foundation.

E. Livestock Auction

- 1. **Deadline for registering 4-H livestock for Auction is 9:30 p.m. on WEDNESDAY.**
- 2. Once you have turned in the form, no changes may be made.
- 3. The livestock auction is limited to market animals only.
- 4. *Livestock will be sold on a premium only basis; livestock ownership will not be transferred to the buyer.*
- 5. 4-H members are responsible for disposition of all market animals. The Geary County Free Fair is not responsible for disposition of any market animals.
- 6. Premium for the sale will be sold by the dollar.

F. Project Auction

- 1. **Deadline for registering 4-H projects for Auction is 5:00 p.m. on WEDNESDAY.**
- 2. Only those items which received purple, blue or red ribbons may be sold. White ribbon items will not be sold.
- 3. No live animals may be sold in the project auction.
- 4. Perishable items such as food and garden produce must be replaced with fresh items for the sale.
- 5. Project items to be sold in the auction will be pulled out by 4:00 p.m. Thursday and put on display.
- 6. *Project items will be given to the buyer at the auction.*
- 7. *Projects eligible to be exhibited at state fair and sold through the auction may be reproduced for the Kansas State Fair.*

This award is judged by a committee, and is awarded to one Community Club per year. The award is based on:

1. Cooperative effort – courtesy and willingness to follow regulations; general courtesy to the public; neat appearance; showing of club spirit and pride
2. Animal care and display – animals tied for best effect; animals kept properly fitted; animals adequately bedded; animals fed and watered regularly
3. Stalls and aisles – aisles kept free and clean for spectators use; exhibit cards neatly displayed; equipment kept in show boxes; feed stored away; stalls kept clean, neat, and dry
4. Youth doing majority of work with limited parental assistance
5. Percentage of participation at fair set-up/clean-up

A. All awards will be in the form of ribbons of various colors and features. Each exhibit will only receive one ribbon (the highest-level ribbon earned).

B. In each class the following ribbons will be awarded as designated by the judge(s). The judge(s) will base these ribbons not on comparison to other exhibits but rather against the following standards:

1. White ribbons – need for considerable improvement and below the ability level of most participants
2. Red ribbons – good quality, standard level of ability
3. Blue ribbons – performance is excellent, but well within the ability level of most participants
4. Purple ribbons – outstanding quality

C. In divisions where class champion ribbons are given, judges will review all purple ribbon exhibits in each class to determine a Class Champion and Class Reserve Champion.

D. A Division Champion and Division Reserve Champion may be designated by the judge(s) in each division. Methods of awarding these ribbons are outlined in the division guidelines.

E. The decision of the judge is final.

Ribbon premiums paid to 4-H exhibitors shall be as follows:

- D. *For all other indoor exhibits, poultry, and rabbits, entry cards will be available in a family packet to be picked up at the Extension Office or fair office.*

Judging Time: Tuesday - 10:00 a.m.
(Conference Method)

Division Rules:

- A. Aerospace/Rocketry Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.
- B. All exhibits must have been completed during the current 4-H year.
- C. Each member may enter two exhibits per class.
- D. If a rocketry exhibit qualifies for the Kansas State Fair, exhibitors should read the state fair rules as they may be different from those at the county fair.

Aerospace/Rocketry Rules:

- A. All exhibits must comply with the NAR Model Rocket Safety Code, which can be found at <http://www.nar.org> or obtained from the Extension Office.
- B. Exhibitors are to complete and sign the "4-H Rocket Exhibit Information Form" for the current year and attach it to a 10" x 13" manila envelope. This envelope should not be attached to the rocket stand or rocket. The envelope should contain instructions on how to construct the rocket, up to 5 pages of pictures from both construction and launch, documentation of any flight damage that occurred, any modifications made to the rocket (*except for paint scheme and decals*), and an additional page for altitude calculations if the space on the form is not enough. For original design rockets, include documentation of how the rocket was tested for stability and up to 5 additional pages of photos.
- C. Rockets are to be displayed upright on a display stand with a sturdy rod that does not extend past the top of the rocket, or stand unassisted, unless the rocket is taller than 4 feet in which case no display stand is required and the rocket may be displayed on its side. Rockets are not to be displayed on launch pads.
- D. Rockets are not to be displayed with used or unused rocket engines either in the rocket or as part of the stand. If rocket engines are included in the exhibit the judge may disqualify the exhibit.
- E. Rockets should be flown, unless there is an active burn ban in the county or conditions are too dangerous to safely launch the rocket. Just flying the last stage (the part with the nose cone) of a multi-stage rocket is acceptable.

F. All rockets except those in class 5541 are not to be beginner kits or use prefabricated (*molded plastic*) fin assemblies or pre-finished rockets requiring no painting. Use of these in classes besides 5541 will result in disqualification.

G. Angles of fins must fall within a plus or minus 2-degree variation using an approved fin alignment guide. An official fin alignment guide is available at <http://rocketry.engtech4ks.com>.

H. The recovery system (typically a parachute or streamer) should be attached according to the instructions.

I. Exhibits must be uniformly painted and smoothly finished *without "runs", "orange peel", or "alligator skin"* or finished as per rocket instructions. Decals, if used, should be applied smoothly.

J. Fins and body tubes, except beginner kit rockets, are to be filled and sealed with sanding sealer and/or primer or other suitable filler to eliminate the appearance of body grooves and wood grain. Fins and launch lugs are to be filleted to reduce drag and properly secured to the model. Engine mounts are to be securely attached to the body tube. Any seams on plastic parts are to be sanded smooth. The nose cone is to fit snugly but still allow for easy removal.

K. Models may not be judged based on their paint scheme (colors and placement on the rocket), except for rockets that fit the definition of a scale model (any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle, *that has flown under rocket power*) and are entered in a scale model class. They may be judged on the paint scheme and the judge may deduct up to one ribbon placing for not following the paint scheme. Scale model rockets are to be finished and completed with greater than 70% of decals. Use of decals for all other rockets is optional. All other rockets may deviate from the suggested paint scheme, allowing the 4-H member to display maximum creativity in the finishing of their rocket. Under no circumstances is the weight given to the paint scheme to be sufficient enough, by itself, to move the non-scale model from one ribbon placing to another.

L. Original design rockets cannot be a modification of a pre-existing kit and must be of original design and designed by the exhibitor(s).

M. Original design rockets must include detailed instructions, so that someone could construct the rocket just like a kit purchased at a store. Instructions can be as many pages as needed.

N. For a rocket entered in the original design classes, describe in the summary how the model was tested for stability prior to flying. Swing testing of the rocket is required (or the judge will deduct 2 ribbon placings). *Exhibitors must include documentation of the swing test.* Other tests and calculations are *strongly* encouraged.

O. For classes 5535 and 5536, mid and high-power rockets, exhibitors must be at least 14 years 4-H age. Rockets that use more than one 'D' engine or equivalent are considered mid or high-power rockets in 4-H. A high-power information form is to be completed and placed inside the information packet. Exhibitors in mid and high-power divisions must hold memberships in NAR or Tripoli organizations. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in these classes. All rockets in these classes are to be launched by the exhibitor under adult supervision.

Aerospace/Rocketry Classes:

- 5541 – Rocket made from beginner's kit (may have pre-assembled fin units) (7 to 8-year old)
- 5542 - Rocket made from a kit (7 to 8-year old)
- 5543 - Scale Model Rocket made from a kit (7 to 8-year old)
- *5520 - Rocket made from a kit (9 to 13-year old)
- *5537 - Scale Model Rocket made from a kit (9 to 13-year old)
- *5521 - Rocket designed by exhibitor, not merely modification of an existing kit - include original plans (11 to 13-year old)
- *5538 – Scale Model Rocket designed by exhibitor, not merely modification of an existing kit - include original plans and stability testing (11 to 13-year old)
- *5525 - Rocket made from a kit (14 and older)
- *5526 - Rocket designed by exhibitor, not merely modification of an existing kit - include original plans (14 and older)
- *5539 - Scale Model Rocket made from a kit (14 and older)
- *5540 - Scale Model Rocket designed by exhibitor, not merely modification of an existing kit - include original plans and stability testing (14 and older)
- *5530 - Rocket designed by 2 or more exhibitors, not merely modification of an existing kit rocket - include original plans (11 years and older)
- *5536 - *Mid-power* rocket made from kit or original design (14 and older)
- *5535 - *High-power* rocket made from kit or original design (14 and older)

Educational Exhibit Rules:

- A. Educational displays and posters should be creative and showcase something specific you have learned in the project during the current 4-H year. *Exhibits must show a clear link to the Engineering and Technology areas of aerospace/rocketry.* Value is placed on youth who can demonstrate how their skills have increased while completing the project. Exhibits must contain substantial supporting educational materials. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.
- B. Exhibitor's name, county, 4-H age, and years in project must be tagged or labeled in a prominent location on the exhibit. This must be on the back of displays and posters.
- C. Project notebooks must be organized in a 3-ring binder.
- D. Displays, Notebooks, and Posters do not need an Exhibit Information Form included.
- E. Sources of scientific information must be cited on the front of your exhibit, including all posters and educational display boards.
- F. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board.
- G. Educational posters must be no larger than 20" x 30".
- H. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.
- I. Engines and igniters for rockets ARE NOT permitted with the exhibit and constitute an immediate disqualification. This includes both spent and live engines.

Educational Exhibit Classes:

- 5749 - Aerospace/Rocketry Display (7 to 8-year old)
- 5750 - Aerospace/Rocketry Notebook (7 to 8-year old)
- 5751 - Aerospace/Rocketry Poster (7 to 8-year old)
- *5741 - Aerospace/Rocketry Display (9 to 13-year old)
- *5742 - Aerospace/Rocketry Notebook (9 to 13-year old)
- *5743 - Aerospace/Rocketry Poster (9 to 13-year old)
- *5746 - Aerospace/Rocketry Display (14 and older)
- *5747 - Aerospace/Rocketry Notebook (14 & older)
- *5748 - Aerospace/Rocketry Poster (14 & older)

Judging Time: Tuesday - 10:00 a.m.
(Conference Method)

Division Rules:

- A. Ag Mechanics Welding Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.
- B. All exhibits must have been completed during the current 4-H year.
- C. Each member may enter two exhibits per class.
- D. Exhibitor's name, county, 4-H age, and years in project must be tagged or labeled in a prominent location on the exhibit. This must be on the back of displays and posters.

Ag Mechanics Welding Rules:

- A. Large exhibits such as trailers will be displayed outside.
- B. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display. Exhibitors are responsible for providing sufficient braking or "chocks" for trailer exhibits to ensure that the exhibit does not move once positioned. If using a wheel "chocking" mechanism, the two individual blocks should be connected together as a pair of "chocks" so they do not become separated. At least one pair of "chocks" should be placed on each side of the trailer to prevent movement.
- C. For trailer exhibits, the tongue of the trailer should have a locking mechanism (ex. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed. A key for the locking mechanism should be left with the fair office and labeled with the exhibitor's name and phone number.
- D. *For exhibits with downward swinging parts, such as tailgates, that could pose a falling/striking/crushing hazard, a tamper resistant locking mechanism such as a zip-tie or a cotter-key should be utilized.*
- E. Each exhibit must be free-standing or sufficiently supported by an exhibitor-supplied support system that is moveable and is part of the total dimensions of the exhibit. Exhibit display boards should have a portable and moveable base and components should be firmly affixed to the board. No exhibits may be staked to the ground for display. Exhibits may not be bound, affixed, or attached to buildings or trees.
- F. Top heavy items should be braced or placed in a stand sufficient to prevent the item from toppling over while on display.

G. Repair projects having adequate original finish need not be repainted. Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by judge or superintendent, one ribbon placing will be deducted.

H. Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed for judging and reinstalled. Foam "pool noodles" and multiple layers of cardboard are acceptable.

I. Display cases for small exhibits are acceptable, and must be easily opened so the item can be removed and examined as part of judging.

J. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.), the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.

K. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.

L. Electric powered exhibits (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.

M. If a safety violation is noted by the judge, superintendent, or staff, the exhibit will receive a deduction in ribbon placement or a participation ribbon at the judge's discretion.

N. Each exhibit, except for display boards, must include the "Ag Mechanics Welding Exhibit Information Form" for the current year. This form must be attached to the outside of a 10" x 13" manila envelope. Envelope should include bill of materials for the project with associated costs, scrap items used may be listed as having a \$0 cost; 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state; if appropriate, schematics or working drawings relating to the creation or repair; if appropriate, operating instructions. Do not tie the envelope to the exhibit. Entry of a packet without an accompanying exhibit is not sufficient.

O. Welding Ag Repair classes are for ag equipment repaired with welding. Welding Ag Fabrication classes are for creation of new ag equipment with welding. Welding General Repair classes are for repair of non-ag equipment with welding. Welding General Fabrication classes are for creation of non-ag equipment with welding. Welding Artistic Fabrication classes are for creation of artistic or interpretive pieces with welding.

P. Examples of Smithing elements include twists, spirals, and bulbs.

Ag Mechanics Welding Classes:

Introductory – 1 to 3 years' experience

- *5550 - Welding Display Board – a 3' x 3' display board with different pieces of metal attached, illustrating different types of welds, each weld being labeled
- *5551 - Welding Ag Repair
- *5552 - Welding Ag Fabrication
- *5553 - Welding General Repair
- *5554 - Welding General Fabrication
- *5555 - Welding Artistic Fabrication
- *5556 - Brazing Repair
- *5557 - Brazing Fabrication
- *5558 - Smithing Display Board – a 3' x 3' display board with different pieces of forged metal attached illustrating different forms, each form being labeled
- *5559 - Smithing – a design forged with at least one formed element

Experienced – 4 to 6 years' experience

- *5560 - Welding Ag Repair
- *5561 - Welding Ag Fabrication
- *5562 - Welding General Repair
- *5563 - Welding General Fabrication
- *5564 - Welding Artistic Fabrication
- *5565 - Brazing Repair
- *5566 - Brazing Fabrication
- *5567 - Smithing – a design forged with at least two different formed elements

Advanced – 7 to 9 years' experience

- *5570 - Welding Ag Repair
- *5571 - Welding Ag Fabrication
- *5572 - Welding General Repair
- *5573 - Welding General Fabrication
- *5574 - Welding Artistic Fabrication
- *5575 - Brazing Repair
- *5576 - Brazing Fabrication
- *5577 - Smithing – a design forged with at least three different formed elements

Master – 10 or more years' experience

- *5580 - Welding Ag Repair
- *5581 - Welding Ag Fabrication
- *5582 - Welding General Repair
- *5583 - Welding General Fabrication
- *5584 - Welding Artistic Fabrication
- *5585 - Brazing Repair
- *5586 - Brazing Fabrication
- *5587 - Smithing – a design forged with at least four different elements

Educational Exhibit Rules:

- A. Educational displays and posters should be creative and showcase something specific you have learned in the project during the current 4-H year. *Exhibits must show a clear link to the Engineering and Technology areas of Ag Mechanics Welding.* Value is placed on youth who can demonstrate how their skills have increased while completing the project. Exhibits must contain substantial supporting educational materials. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.
- B. Project notebooks must be organized in a 3-ring binder.
- C. Displays, Notebooks, and Posters do not need an Exhibit Information Form included.
- D. Sources of scientific information must be cited on the front of your exhibit, including all posters and educational display boards.
- E. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board. Educational posters must be no larger than 20" x 30".
- F. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.

Educational Exhibit Classes:

- 5470 – Ag Mechanics Welding Display (7 to 8-year old)
- 5471 - Ag Mechanics Welding Notebook (7 to 8-year old)
- 5472 - Ag Mechanics Welding Poster (7 to 8-year old)
- *5475 - Ag Mechanics Welding Display (9 to 13-year old)
- *5476 - Ag Mechanics Welding Notebook (9 to 13-year old)
- *5477 - Ag Mechanics Welding Poster (9 to 13-year old)
- *5478 - Ag Mechanics Welding Display (14 and older)
- *5479 - Ag Mechanics Welding Notebook (14 & older)
- *5480 - Ag Mechanics Welding Poster (14 & older)

Judging Time: Tuesday - 12:30 p.m.

Division Rules:

- A. Each exhibitor is allowed two entries per class with a maximum of 8 entries total.
- B. All classes calling for a gallon sample may have a 2½ to 3 inch in diameter cylinder placed in a glass gallon container to reduce the amount of grain to about 3 quarts.
- C. VARIETY OR HYBRID MUST BE NAMED FOR EACH ENTRY.
- D. Products exhibited in this division must have been grown by the 4-Her in the current year, with the exception of soybeans and edible field beans, *which should be from the most recent harvest.*
- E. Exhibits should be as mature as possible.
- F. For all hay classes, exhibit one flake or slice from a rectangular bale or a 10-inch section cut from a round bale. The flake or slice should be approximately 6 inches in thickness and tied in 2 directions.
- G. Exhibits can be brought in Monday from 4:00 p.m. to 7:00 p.m. or Tuesday by 11:00 a.m.
- H. The Agronomy Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.

Classes:

- *2400 - Corn, white - ten ears
- *2401 - Corn, yellow - ten ears
- *2425 - Corn - one-gallon sample
- *2402 - Hybrid grain sorghum - ten heads
- *2403 - Hybrid forage sorghum - 5-inch bundle, tied exhibit entire plant, no roots
- *2404 - Other forage sorghum - 5-inch bundle, tied exhibit entire plant, no roots
- *2405 - Soft red winter wheat - one-gallon sample
- *2406 - Hard red winter wheat - one-gallon sample
- *2407 - Hard white wheat - one-gallon sample
- *2408 - Confectionery sunflowers - three heads
- *2409 - Confectionery sunflower seeds - one-gallon sample
- *2410 - Oil sunflowers - three heads
- *2411 - Oil sunflower seeds - one-gallon sample
- *2412 - Oats - one-gallon sample
- *2413 - Barley - one-gallon sample
- *2414 - Alfalfa seed - one-gallon sample
- *2415 - Alfalfa hay
- *2416 - Native grass hay
- *2426 - Cool season grass hay (fescue, etc.)

- *2417 - Brome grass seed - one-gallon sample
- *2418 - Other tame grass seed - one-gallon sample
- *2419 - Soybeans - one-gallon sample
- *2420 - Soybeans - bundle of 5 plants
- *2421 - Edible field beans - one-gallon sample
- *2422 - Edible field beans - bundle of 5 plants roots intact
- *2423 - Miscellaneous crops - exhibit to consist of one-gallon sample of seed or 10 heads
- *2430 - Wheat variety display (contact the Extension Office for specific guidelines)
- *2440 - Weed control exhibit (contact the Extension Office for specific guidelines)

Judging Time: Tuesday - 10:00 a.m.
(Conference Method)

Division Rules:

- A. Astronomy Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.
- B. All exhibits must have been completed during the current 4-H year.
- C. Each member may enter two exhibits per class.
- D. Exhibitor’s name, county, 4-H age, and years in project must be tagged or labeled in a prominent location on the exhibit. This must be on the back of displays and posters.

Astronomy Rules:

- A. Telescopes entered may be built from a kit or by original design. Pre-finished telescopes which require no construction are not acceptable exhibits.
- B. Telescopes are limited to no more than six feet in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot extend past two feet in length or width.
- C. Each exhibit must include a “4-H Astronomy Exhibit Information Form” for the current year. The form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit. Inside the envelop include: construction plans of the telescope; *at least* two photographs showing telescope construction and operation mounted on one side of an 8½” x 11” page, a brief caption should accompany each photograph *and up to 10 pages of pictures can be included.*

D. The telescope must be properly assembled and painted with a smooth and uniform finish. Decals, if used, should be attached smooth and tight.

E. Telescopes designed by the exhibitor must be original, not a modification of an existing kit.

Astronomy Classes:

- *5500 - Telescope made from a kit
- *5501 - Telescope made from original design

Educational Exhibit Rules:

- A. Educational displays and posters should be creative and showcase something specific you have learned in the project during the current 4-H year. *Exhibits must show a clear link to the Engineering and Technology areas of Astronomy.* Value is placed on youth who can demonstrate how their skills have increased while completing the project. Exhibits must contain substantial supporting educational materials. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.
- B. Project notebooks must be organized in a 3-ring binder.
- C. Displays, Notebooks, and Posters do not need an Exhibit Information Form included.
- D. Sources of scientific information must be cited on the front of your exhibit, including all posters and educational display boards.
- E. Educational displays are not to exceed a standard commercial 3’ x 4’ tri-fold display board. Educational posters must be no larger than 20” x 30”.
- F. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.

Educational Exhibit Classes:

- 5728 - Astronomy Display (7 to 8-year old)
- 5729 - Astronomy Notebook (7 to 8-year old)
- 5730 - Astronomy Poster (7 to 8-year old)
- *5731 - Astronomy Display (9 to 13-year old)
- *5732 - Astronomy Notebook (9 to 13-year old)
- *5733 - Astronomy Poster (9 to 13-year old)
- *5736 - Astronomy Display (14 and older)
- *5737 - Astronomy Notebook (14 & older)
- *5738 - Astronomy Poster (14 & older)

Judging Time: Tuesday - 1:30 p.m.

Division Rules:

A. Banners should illustrate a phase of 4-H work which is being practiced by youth in 4-H or promote 4-H generally.

B. Banners are to be a TWO-DIMENSIONAL display, depicting one idea. Three-dimensional objects cannot be attached to the banner.

C. Dimensions are to be no less than 12 and no more than 16 square feet, with no side less than 3 feet.

D. Banners must be hung on a rod strong enough to support the banner. One wire or chain should be attached to both ends of the rod which will permit the banner to be hung.

E. Banners are to be made of non-flammable materials that can be folded or rolled without damage to the display.

F. A label is to be attached to the front lower left-hand (as you face it) corner of the banner giving the name of the club, and year. Letters should be 2" in height. Waterproof ink is recommended.

G. See letter M. under General Rules (Page 10) for guidelines related to using copyrighted and/or trademarked materials in banners.

H. Judging will consist of:

1. Educational Value	45%
2. Appearance	25%
3. Interest & Originality	25%
4. Quality of Materials Used	5%

I. Judges will be asked to prepare written comments for each banner.

J. The Banner Division Champion and Reserve Champion may be selected from all exhibits.

Classes:

0200 - Community Club Banner

0201 - Project Club Banner

Market Beef Weigh-In: Monday - 4:00-6:00 p.m.

Judging/Practice Times Tuesday:

-12:15 p.m. bucket calf practice

-5:15 p.m. bucket calf consultation judging

-show beginning at 7:00 p.m. with the bucket calf showmanship and ribbon presentation followed by the breeding beef classes, beef showmanship, and then the market beef in the show order determined after weight breaks are posted

Division Rules:

A. Be sure to read the general rules, livestock rules, livestock health rules, and auction guidelines at the front of this book.

B. All beef cattle must be double tied. Members must provide halter and neck rope for the double tie. You may tie livestock in the show ring ONLY while you are cleaning your stall. They must be double tied and you must clean and rake the area they were in. Out of respect to other 4-H members, please double check the fair schedule and make sure animals are out and the ring is cleaned one hour before the next show.

C. Tie out of beef animals will be allowed from 9:00 p.m. to 7:30 a.m. Exhibitors who tie cattle outside of the barn will be responsible for their cattle and for cleaning the tie out area. A tie out corral will be provided. Exhibits may not tie out off of the fairgrounds.

Bucket Calf Rules:

A. Judged by conference method based on the following:

1. KNOWLEDGE - 60 points - How much does the exhibitor know about his or her animal: breed and gender of their project animal, feeding, health care and general management.
2. QUALITY - 20 points - General overall health and condition of the animal along with the good beef or dairy characteristics represented by the project animal.
3. APPEARANCE - 10 points - The cleanliness, trimming, clipping and grooming of the project animal as well as the appearance of the exhibitor.
4. PRESENTATION - 10 points - The exhibiting, handling and leadability of the project animal.

B. The Class Champion and Reserve Champion in each Bucket Calf Class will be awarded Division Champion and Division Reserve Champion rosettes.

C. Bucket calves must be born between January 1 and May 20 of the current 4-H year.

D. Bucket calf consultation judging will be completed in a random order with the judging schedule available at the 12:15 p.m. practice.

E. If you would like to show your Bucket Calf in a 2nd year bucket calf class at the following year's fair, it must be tagged before it leaves the current fair.

Bucket Calf Classes:

1000 - Members age 7-9 years old as of January 1 of the current year.

1001 - Members age 10-12 years old as of January 1 of the current year.

Breeding Beef Rules:

A. Members may exhibit two breeding beef per class, not to exceed five breeding beef in total.

B. Each breed will show separately except 2nd year bucket calves which will have their own class.

C. No animal may be shown in more than one class.

D. 2nd year bucket calves must have been shown by the same 4-H member and tagged at the previous year's fair.

E. Breeding Beef Division Champion and Reserve Champion may be designated by the judge from Champions and Reserve Champions in each breed and the 2nd Year Bucket Calf Class.

Breeding Beef Classes:

1010 - Senior Heifer Calf born Sept. 1 to Dec. 31 previous year

1011 - Summer Yearling born May 1 to Aug. 31 previous year

1012 - Junior Yearling born Jan. 1 to April 30 previous year

1013 - Aged Cow born prior to Jan. 1 previous year

1014 - Cow and Calf - cow of any age, calf born after Jan. 1 current year

1015 - Calf born after January 1 current year

1016 - 2nd Year Bucket Calf

- Division Champion Breeding Beef Class

Market Beef Rules:

A. ALL MARKET BEEF MUST WEIGH AT LEAST 1100 POUNDS AT FAIR WEIGH-IN TO SELL AT THE FAIR AND TO SHOW FOR CHAMPION.

B. Market beef must have been born after January 1 of previous year. Permanent incisor teeth cannot have erupted and baby teeth must be present. Those animals which have lost any of their baby teeth will only be allowed to show in the showmanship class.

C. All market beef must be tagged by May 1st.

D. Each 4-H member may exhibit two market beef per breed, not to exceed five market beef in total.

E. Weight breaks and classes to be used will be determined following fair weigh-in. Must have three steers of one breed to create a purebred class. Breeds with less than three will show in the All Other Purebreds Class.

F. 2nd year bucket calves must have been shown by the same 4-H member and tagged at the previous year's fair.

G. All market beef not meeting the weight requirement of 1100 pounds and not eligible for the Prospect Class will show in the Lightweight Market Beef class, regardless of breed.

H. Market Beef Division Champion and Reserve Champion may be designated by the judge from Breed Champions and Reserve Champions in Purebred Market Steer Classes (if added), All Other Purebred Market Steer Class, Crossbred Market Steer Class, Market Heifer Class, and 2nd Year Bucket Calf Class.

Market Beef Classes:

1030 - Prospect Market Beef (500 to 900 pounds, any breed)

1031 - Purebred Market Steer Class

1032 - Crossbred Market Steer Class

- Champion Crossbred Market Steer Class (if needed)

1033 - 2nd Year Bucket Calf Class

1034 - Market Heifer Class

- Division Champion Market Beef Class

Beef Showmanship Rules:

A. Open to any breeding beef or market beef exhibitor.

B. 4-H member must show their own animal.

C. Class Champions and Reserve Champions from classes 1050-1052 will compete to determine Beef Showmanship Champion and Reserve Champion who will move on to the Round Robin Contest. Showmanship ribbons will be awarded.

Beef Showmanship Classes:

1050 - Beef Showmanship (14 & older)

1051 - Beef Showmanship (10 to 13-year old)

1052 - Beef Showmanship (7 to 9-year old)

- Champion Beef Showmanship Class

Rate of Gain Contest Rules:

- A. Open to any 4-Her enrolled in the market beef project who is a member of a Geary County Community 4-H Club.
- B. Market beef must be weighed at official county weigh-in (beginning weight) and at the fair weigh-in (ending weight).
- C. Market beef must be exhibited at the fair to be eligible.
- D. Winner will be announced during the beef show. Name, ADG, and year will be engraved on a plaque kept in the trophy case at the 4-H Building.

Time: Tuesday - 10:00 a.m.
(Conference Method)

Division Rules:

- A. Building Block Engineering Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.
- B. All exhibits must have been completed during the current 4-H year.
- C. Each member may enter two exhibits per class.
- D. Exhibitor's name, county, 4-H age, and years in project must be tagged or labeled in a prominent location on the exhibit *and the display case for block exhibits*. This must be on the back of *educational* displays and posters.

Building Block Engineering Rules:

- A. *Up to four building block exhibits may be selected to advance to the Kansas State Fair.
- B. Kits, non-diorama displays, and artistic designs such as recreations of paintings or sculptures should be entered in the Building Creations category under the Miscellaneous Division.
- C. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Minimum exhibit dimensions must be at least 6 inches wide and deep.
- D. All dioramas should have a story, which is part of the information pack, that describes what is happening in the diorama; this can be as simple or as complex as needed to explain what is happening to someone looking at the exhibit.

E. All exhibits should be placed in a sturdy see-through enclosure with a top, bottom, and 4 sides. This is to make sure all exhibit components stay with the exhibit. A clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. It may be desirable to place a cutting board or other hard surface between the lid and base plate of the exhibit to make it sturdy. The outer dimensions of the enclosure do not count towards the total exhibit dimensions but should not be excessive. *The entire exhibit should fit in the display enclosure so the enclosure does not smash into the exhibit during movement.*

F. The primary building component should be interlocking blocks, commonly referred to by the brand name Lego®. Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks, for example marbles for small round objects. All components used in construction should be dust free, clean, and free of chips, scuffs, cracks, *or broken blocks*.

G. The use of existing "store bought" sets for major elements of the display is not allowed. Use of figurines from sets is allowed as is using individual bricks *or small sub-assemblies* to create something different than the set it came from.

H. Dioramas should be suitably complex and have multiple elements, such as a camp site that has log cabin, tree fort, and car.

I. Gaps or cracks should not be visible between assembled blocks unless they fit with the story, for example an earthquake.

J. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method.

K. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. For example, merry-go-rounds, doors, elevators, gears, marbles going down a channel, flapping wings, animatronics, etc. If included, judge should be able to use them and instructions should be provided for operation.

L. Each exhibitor is required to complete the "4-H Building Block Engineering Exhibit Information Form" for the current year. This form must be attached to the outside of a 10" x 13" manila envelope. Envelope should include 1 to 5 pages of photos showing work on the exhibit (preferably from a beginning state to final or completed state) and, if appropriate, operating instructions for mechanical portions of the diorama. Do not tie the envelope to the exhibit. Entry of packet without an accompanying exhibit is not sufficient.

Building Block Engineering Classes:

- 5709 - Junior Diorama (ages 7-8)
- 5710 - Intermediate Diorama (ages 9-13)
- 5711 - Senior Diorama (ages 14 and older)

Educational Exhibit Rules:

- A. Educational displays and posters should be creative and showcase something specific you have learned in the project during the current 4-H year. *Exhibits must show a clear link to the Engineering and Technology areas of Building Block Engineering.* Value is placed on youth who can demonstrate how their skills have increased while completing the project. Exhibits must contain substantial supporting educational materials. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.
- B. Project notebooks must be organized in a 3-ring binder.
- C. Displays, Notebooks, and Posters do not need an Exhibit Information Form included.
- D. Sources of scientific information must be cited on the front of your exhibit, including all posters and educational display boards.
- E. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board. Educational posters must be no larger than 20" x 30".
- F. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.

Educational Exhibit Classes:

- 5487 - *Building Block Engineering Display (7 to 8-year old)*
- 5488 - *Building Block Engineering Notebook (7 to 8-year old)*
- 5489 - *Building Block Engineering Poster (7 to 8-year old)*
- *5481 - *Building Block Engineering Display (9 to 13-year old)*
- *5482 - *Building Block Engineering Notebook (9 to 13-year old)*
- *5483 - *Building Block Engineering Poster (9 to 13-year old)*
- *5484 - *Building Block Engineering Display (14 and older)*
- *5485 - *Building Block Engineering Notebook (14 & older)*
- *5486 - *Building Block Engineering Poster (14 & older)*

Division Rules:

- A. This Division is open to any 4-H member enrolled in Cloverbuds.
- B. All products made in this division will be exhibited for display purposes only. All entries will be given participation ribbons.
- C. All exhibits should have a completed entry card securely attached for identification purposes.
- D. All exhibits will be grouped together by club.
- E. Exhibits may be the product of a project completed during a Cloverbud meeting, or a project completed at home.
- F. Cloverbuds may exhibit up to three entries.
- G. Cloverbuds may not exhibit live animals or participate in fashion revue.

Class:

0100 - Cloverbud Project Item

Judging Time: Tuesday - 10:00 a.m.
(Conference Method optional)

Division Rules:

- A. All books should be complete from October 1 to present.
- B. Meeting with the judge for conference-style judging is optional. Sign-up instructions will be provided to you ahead of the fair if you would like to conference with the judge.
- C. The Club Notebooks Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.

Classes:

- 0400 - Secretary's Book
- 0401 - Reporter's Notebook
- 0402 - Historian's Notebook
- 0403 - Treasurer's Book
- 0404 - Club Project Notebook

Judging Time: Tuesday - 10:00 a.m.
(Conference Method)

Division Rules:

- A. Computer Science Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.
- B. All exhibits must have been completed during the current 4-H year.
- C. Each member may enter two exhibits per class.
- D. Exhibitor’s name, county, 4-H age, and years in project must be tagged or labeled in a prominent location on the exhibit. This must be on the back of educational displays and posters.

Computers Rules:

- A. Each exhibit must accomplish a specific automated task using a computer, a chip system, URL, or virtual machine (VM).
- B. All exhibits must either be self-contained on a USB drive (this means that a judge can plug the USB drive into a computer and be able to run the exhibit) or be a Chip system (a compact, less than 8” x 8” x 8”, System-On-A-Chip or Micro-Controller which can be programmed and requires minimal assembly to operate). Physical computers will not be accepted as an exhibit.
- C. Chip systems may use or include GPIO bread boards or Hardware Attached on Top the size of which is not included in the size of the chip system, however the total size of the chip system and GPIO devices may not exceed 24” x 24” x 24” including any protective enclosures. Any attached GPIO devices are not judged for electrical construction or quality as this division is focused on the operational aspects of the systems. All electric components must be adequately covered or concealed with a protective enclosure. Paper is not considered an adequate enclosure or covering for the electrical components.
- D. Each exhibit must be accompanied by a “4-H Engineer’s Journal”. The engineer’s journal should be typed. It can either be included electronically on the USB drive (preferred) or printed and placed in the envelope. An example of a “4-H Engineer’s Journal” can be found at <http://computers.engtech4ks.com>. Failure to include a “4-H Engineer’s Journal” will result in the exhibit being disqualified.

E. The following items are required as part of the exhibit packet (do not tie envelope to the exhibit)

- 1. Computer Exhibit Form for the current year which is attached to the outside of a 10” x 13” envelope
- 2. a USB drive labeled with the exhibitor’s name, county, and club in a way that does not prevent it from being plugged into a computer
- 3. at least one graphic (picture, screen shot, slide, etc.) of the project printed on an 8½” x 11” sheet of paper and placed in a plastic sheet protector to allow for proper display
- 4. instructions to run any part of the exhibit on the USB drive

F. If the exhibit is a program, application, app, web site, or requires any coding, the source code must be included on the USB drive. Failure to include a copy of the source code may result in up to one ribbon placing deduction.

G. *Flow* diagrams or decision trees showing the logical flow of the system must be included on the USB drive for all *coded* exhibits.

H. A set of instructions must be provided to run the computer system/application. Instructions should be written as though you were helping a less techy person *operate your exhibit*. An example of instructions can be found at <http://computers.engtech4ks.com>.

I. For judging, bring a computer that will run the project. Internet connectivity will be provided. Internet based content may be included in exhibits. Exhibitors should take great care and only go on-line with their guardian’s permission.

J. All licensing should be adhered to for any software used in the exhibit. Failure to do so will result in reduction of one ribbon placing.

K. The creation of viruses, malware, malicious applications or code, defamatory language or graphics, bullying, or any material that is mean, dangerous, or harmful according to judge’s opinion will result in the exhibit being disqualified.

L. Judging will be based on

- | | |
|--------------------------------------|-----|
| 1. 4-H Engineers Journal | 25% |
| 2. Instructions | 25% |
| 3. Functionality | 25% |
| 4. Diagrams (and code if applicable) | 25% |

Computers Classes:

- *5590 - Computer program, application, app, script, or coded system that is new and unique (not merely a file run in a program, such as a 'word document' or a picture drawn in 'Microsoft Paint')
- *5591 - Computer presentation (power point, web page/site, animated graphics, etc.)
- *5592 - Single computer system (web server, database server, etc.) represented as a virtual machine
- *5593 - Networked system consisting of two or more virtual machines
- *5594 - Chip system (a small programmed physical device that accomplishes a specific task)

Educational Exhibit Rules:

- A. Educational displays and posters should be creative and showcase something specific you have learned in the project during the current 4-H year. *Exhibits must show a clear link to the Engineering and Technology area of Computer Science.* Value is placed on youth who can demonstrate how their skills have increased while completing the project. Exhibits must contain substantial supporting educational materials. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.
- B. Project notebooks must be organized in a 3-ring binder.
- C. Displays, Notebooks, and Posters do not need an Exhibit Information Form included.
- D. Sources of scientific information must be cited on the front of your exhibit, including all posters and educational display boards.
- E. If the computer notebook illustrates the creation, talks about, or shows the result of an app, application, executable, program, or other compiled/interpreted "source code", a copy of the source code should be included.
- F. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board. Educational posters must be no larger than 20" x 30".
- G. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.

Educational Exhibit Classes:

- 5770 - *Computer Science Poster (7 to 8-year old)*
- 5774 - *Computer Science Display (7 to 8-year old)*
- 5775 - *Computer Science Notebook (7 to 8-year old)*
- *5771 - *Computer Science Poster (9 to 13-year old)*
- *5772 - *Computer Science Display (9 to 13-year old)*
- *5773 - *Computer Science Notebook (9 to 13-year old)*
- *5776 - *Computer Science Poster (14 and older)*
- *5777 - *Computer Science Display (14 & older)*
- *5778 - *Computer Science Notebook (14 & older)*

Judging Time: Monday - 7:00 p.m.

Division Rules:

- A. Be sure to read the general rules, livestock rules, and livestock health rules at the front of this book.
- B. Lactating cows may be brought in by 5:30 p.m. on Monday and released following the Dairy Show. Those entries are to be checked in with the superintendent on Monday between 5:30 - 6:30 p.m.
- C. Limit two animals per class, not to exceed five in total.
- D. *Ages are as follows: Calf, born after September 1, 2023; Yearling, born September 1, 2022 – August 31, 2023; 2-Year-Old, born September 1, 2021 – August 31, 2022; 3-Year-Old and Older, born before August 31, 2021.*
- E. Dairy Division Champion and Reserve Champion may be designated by the judge from all entries.

Cattle Classes:

- *1100 - *Brown Swiss Calf*
 - *1101 - *Brown Swiss Yearling*
 - *1102 - *Brown Swiss 2-Year-Old*
 - *1103 - *Brown Swiss 3-Year-Old and Older*
 - *1104 - *Holstein Calf*
 - *1105 - *Holstein Yearling*
 - *1106 - *Holstein 2-Year-Old*
 - *1107 - *Holstein 3-Year-Old and Older*
 - *1108 - *Jersey Calf*
 - *1109 - *Jersey Yearling*
 - *1110 - *Jersey 2-Year-Old*
 - *1111 - *Jersey 3-Year-Old and Older*
 - *1112 - *Milking Shorthorn Calf*
 - *1113 - *Milking Shorthorn Yearling*
 - *1114 - *Milking Shorthorn 2-Year-Old*
 - *1115 - *Milking Shorthorn 3-Year-Old and Older*
 - *1116 - *Ayrshire Calf*
 - *1117 - *Ayrshire Yearling*
 - *1118 - *Ayrshire 2-Year-Old*
 - *1119 - *Ayrshire 3-Year-Old and Older*
- Champion Dairy Animal Class

Showmanship Rules:

- A. 4-H member must show their own animal.
- B. Class Champion and Reserve Champion from classes 1150-1152 will compete to determine Dairy Showmanship Champion and Reserve Champion who will move on to the Round Robin Contest. Showmanship ribbons will be awarded.

Showmanship Classes:

- *1150 - Dairy Showmanship (14 & older)
- *1151 - Dairy Showmanship (10 to 13-year old)
- *1152 - Dairy Showmanship (7 to 9-year old)
- Champion Dairy Showmanship Class

Judging Time: Friday, July 19th - 6:30 p.m.

Division Rules:

- A. Copy of proof of current vaccination (vaccination certificate or health certificate) signed by a veterinarian must be submitted to the Extension Office by pre-entry deadline. The State 4-H Dog Show Immunization Record card must also be submitted to the Extension Office at this time. Required vaccinations include: Bordetella, Distemper, Hepatitis, Parvovirus, Parainfluenza, and Rabies. Dogs must be at least 6 months of age at time of show.
- B. Any abuse of dogs on grounds, or in the building, will result in disqualification.
- C. No dog in season will be allowed to show.
- D. Any dog fouling the ring will receive a white ribbon.
- E. Baiting dogs is not allowed in the ring.
- F. No mobile phones or other electronic devices are allowed in the ring.
- G. A well-fitting collar of leather, chain, or fabric is to be used for obedience. No spiked, pinch, special training collars, and hanging objects from collars are allowed.
- H. Members may enter only one dog per class.
- I. Dog Obedience Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions in classes 3608-3615.

Obedience Classes:

- 3608 - Pre-Novice A
 - First year member, first year dog.
 - Heel and figure 8 (on leash)
 - Stand for examination (on leash)
 - Recall (on leash)
 - Long sit - 1 minute (on leash)
 - Long down - 3 minutes (on leash)

3609 - Pre-Novice B

- Experienced handler, first year dog or experienced dog, first year handler.
- Same obedience as Pre-Novice A

*3610 - Novice

- For first year or experienced off leash handler
- Heel and figure 8 (on leash)
- Stand for examination (off leash)
- Heel (off leash)
- Recall (off leash)
- Long sit - 1 minute (off leash)
- Long down - 3 minutes (off leash)

*3615 - Graduate Novice:

- For all 4-H members with dogs who have qualified in novice.
- Heel (on leash)
- Stand for examination (off leash)
- Heel free and figure 8
- Drop on recall
- Long sit - 3 minutes (4-H member out of sight)
- Long down - 5 minutes (4-H member out of sight)

Showmanship Rules:

- A. 4-H member must show their own animal.
- B. *In showmanship, the dog is evaluated on the handler's grooming of the dog, the handler and dog are evaluated on the proficiency by which they can perform various patterns smoothly and efficiently.*
- C. For showmanship, use a show lead that serves as both collar and lead or a fine link chain collar, a "snake" chain or a fabric slip collar with a narrow lightweight fabric or leather lead. No spiked, pinch, special training collars, and hanging objects from collars are allowed.
- D. Dog Showmanship Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions in classes 3600-3606.

Showmanship Classes:

- *3605 - Dog Showmanship (15 & older)
- *3602 - Dog Showmanship (12 to 14-year old)
- *3600 - Dog Showmanship (9 to 11-year old)
- 3606 - Dog Showmanship (7 to 8-year old)

Judging Time: Tuesday - 11:30 a.m.
(Conference Method)

Division Rules:

- A. Only those who have met the requirements of the electric & renewable energy project are eligible to exhibit in this division.
- B. Items that have been used should be cleaned for exhibit.
- C. See poster and display guidelines on Page 16-17 and copyright/trademark guidelines in letter M. on Page 10.
- D. The Electric & Renewable Energy Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions in classes.

Electric Rules:

- A. Electric exhibits must be able to be operated using only 110 or 120V AC or battery power. If battery power is required batteries must be furnished. (The Extension Office will provide a surge-protected electrical strip if needed.)
- B. Exhibits must be constructed such that the judge has wiring access to examine the quality and safety of workmanship.
- C. No hand dipped solder may be used on exhibits.
- D. Sheet of operating instructions must be furnished for any exhibit not self-explanatory.
- E. Any project with complexity of size or electronics must have instructions for assembly and use and equipment available at the time of judging for actual testing of the exhibit.

Electric Classes:

**4600* - AC Electric Projects. Electric projects with a 110 or 120V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances, extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110 or 120 V (no 240 V exhibits are allowed).

**4601* - DC Electric Projects. Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered projects. Examples include: wiring two- or three-way switches, difference between series/parallel lighting circuits or wiring doorbell switches. All DC electric projects must include batteries supplied by 4-H member.

**4602* - Electronics Projects. Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project.

**4603* - Educational Displays and Exhibits. The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electric project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits or science fair type projects which DO NOT have a power source, i.e. exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays and exhibits must be legible from a distance of four feet.

Alternative Energy Rules:

A. Alternative Energy is a form of energy derived from a natural source, such as the sun, geothermal, wind, tides, or waves.

B. All exhibits are limited in size to standard tri-fold display boards. All displays must be self-standing. Items may not extend beyond 12" from the board.

Alternative Energy Classes:

**4620* - Educational Display - Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.

**4621* - Experiment - Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions and recommendations for future study.

Judging Time: Tuesday - 12:30 p.m.

Division Rules:

- A. Resources for exhibiting can be found on the Kansas 4-H Entomology project website.
- B. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
- C. The Entomology Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.

Collection Rules:

- A. All entries should be submitted in an 18 x 24 x 3½ inch wooden display box with a clear plastic top (such as plexiglass). Boxes can be hand-made or purchased as long as they are of the correct size and do not have a glass top. See specific phase for box and specimen number limitations. Exception is class 4950 which should follow guidelines as stated with class information.
- B. Each exhibitor is required to identify each box with two identification labels bearing exhibitor's name, county, class, and statement of taxonomy used: a. "Insects in Kansas" book or b. "Insects in Kansas Book: 2016 Revised Taxonomy" which follows www.bugguide.net. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside).
- C. The number of orders, specimens (and families where required) must be included on both of the exhibitor's box identification labels. Only one adult insect per species can be used in the collection boxes and notebook classes, unless labeled as male or female and correctly identified.
- D. Arrange specimens in the box so it can be displayed lengthwise.
- E. Arrange specimens in groups or rows parallel to the short sides of the box. Specimens are to be arranged in the box according to Order then family where required. The sequence arrangement of the Orders in the box will be left up to the member.
- F. Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality. Full county name and state abbreviation should be on the second label. Collector's name on the date/locality label is optional.

G. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

H. Only specimens of the class Insecta should be included.

I. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Refer to the Kansas 4-H Entomology project website for full details on out-of-state insects in collections.

Collection Classes:

4950 - Introductory Entomology Collection

Introductory Entomology is designed for beginners. 4-H member may exhibit in this class a maximum of two years. Display in one or two shoe boxes, pencil boxes, plastic storage boxes, cake pan with a clear lid or one standard display box a minimum of 15 and a maximum of 30 species representing at least 6 orders. "Insects in Kansas" book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera OR "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera. The boxes should be covered with a piece of plastic wrap, plexiglass or other protective covering taped across the top of the box or covering the box. Follow the general guidelines for collections.

**4900* - Beginning I Entomology Collection

Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Members can exhibit in this class a maximum of three years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

**4901* - Beginning II Entomology Collection

Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Members can exhibit in this class a maximum of three years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

***4903 - Intermediate Entomology Collection**

Display a minimum of 100 and a maximum of 300 species representing at least 10 Orders. Two standard boxes can be used. Family identification is required for all insects in any two of the six basic orders as outlined in Class 4950 - Introductory Entomology Collection (only two will be counted for judging). On a piece of paper list what you did to improve your collection during the current year. Members may continue to exhibit in this class for a maximum of 3 years. Exhibitor will move up if they receive a purple ribbon at the Kansas State Fair.

***4905 - Advanced Entomology Collection**

Display a minimum of 150 and maximum of 450 specimens representing at least 12 Orders. Three standard boxes can be used. Family identification is required for all insects belonging to the six basic orders as outlined in Class 4950 - Introductory Entomology Collection. Only families in the six basic orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what leadership you provided in this project; and/or what insects you have studied. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class for an unrestricted number of years.

Educational Exhibit Rules:

- A. Share with others what you learned in this project. Exhibit any activity or learning experience related to the field of entomology or the Teaming with Insects curriculum that does not fit into Entomology Collection or notebook classes above. Monarch Butterfly Educational Displays should teach the public about the Monarch Butterfly and/or ways to protect and conserve it.
- B. The exhibit may be, but isn't limited to, original works, digital presentation (must provide printed hardcopy for exhibit purposes for duration of fair), programs, websites, games, apps, display box, notebook, display, or poster which you have made.
- C. If the exhibit is a wooden display box, it must be 18 x 24 x 3½ inches with a clear plastic top (such as plexiglass) and displayed horizontally.
- D. See poster and display guidelines on Page 16-17 and copyright/ trademark guidelines in letter M. on Page 10.
- E. Name and county must be clearly marked on educational exhibits.

F. Exhibitors should choose the class that corresponds to the experience level of the Collection or Notebook class in which they are exhibiting. If only exhibiting an educational exhibit, ages are as follows: Introductory 7-8 year-olds, Beginning 9-12 year-olds, Intermediate 11-14 year-olds, Advanced 13 and older.

Educational Exhibit Classes:

- 4951 - Introductory Educational Exhibit
- *4902 - Beginning Educational Exhibit
- *4904 - Intermediate Educational Exhibit
- *4906 - Advanced Educational Exhibit
- 4952 - Introductory Monarch Butterfly Educational Display
- *4920 - Beginning Monarch Butterfly Educational Display
- *4930 - Intermediate Monarch Butterfly Educational Display
- *4940 - Advanced Monarch Butterfly Educational Display

Entomology Notebook Rules:

- A. Individual entries are to be placed for display in a three-ring notebook for competition.
- B. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitor's name, county, class, and statement of taxonomy used: a. "Insects in Kansas" book or b. "Insects in Kansas Book: 2016 Revised Taxonomy" which follows www.bugguide.net. The number of orders, specimens, and families (required in Intermediate and Advanced classes) must also be included on the Title Page.
- C. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
- D. Date, common name, full county name, and state abbreviation should be included for each species. Collector's name on the specimen page is optional.
- E. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
- F. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.
- G. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page and also on the front of the divider page.
- H. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.

I. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.

J. A special project must be completed each year and included in the notebook. See project guideline materials on the Kansas 4-H Entomology project website.

K. Refer to the publication "Entomology Collection Notebook Guidelines" on the Kansas 4-H Entomology web page for more detailed rules for exhibiting.

Entomology Notebook Classes:

***4907 - Introductory Entomology Notebook**

Display a minimum of 10 and a maximum of 30 insect species representing at least six different orders. A member may exhibit in this class for a maximum of two years.

***4908 - Beginning Entomology Notebook**

Display a minimum of 20 and a maximum of 60 insect species representing at least seven different orders. A member may exhibit in this class for a maximum of three years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

***4909 - Intermediate Entomology Notebook**

Display a minimum of 60 and a maximum of 100 species representing at least nine orders. Family identification is required for all insects in any two of the six orders as outlined in Class 4950 - Introductory Entomology Collection (only two will be counted for judging). A member may exhibit in this class for a maximum of three years.

***4910 - Advanced Entomology Notebook**

Display a minimum of 100 and a maximum of 200 species representing at least twelve orders. Family identification is required for all insects belonging to the six basic orders as outlined in Class 4950 - Introductory Entomology Collection. Only families in the six basic orders will be counted for judging. Family identification in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years.

Judging Time: Tuesday - 12:30 p.m.
(Conference Method)

Division Rules:

A. A Junior is age 7-11 and a Senior is age 12 and older.

B. A member may exhibit two entries per class.

C. Fiber Arts is defined as any method of creating a unique design with fiber, fabric or yarn. Non-textile (ex. - wood, reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.

D. Identification labels are required.

1. Type or print on a clothing label or 3" x 2½" piece of cloth: class number, county, and exhibitor's name.

2. Sew or safety pin (no straight pins) this ID label on the corner of flat articles.

3. For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garment.

E. All exhibits which need to be hung MUST have the appropriate saw tooth hanger, rod, wire or other mechanism attached in order to be properly displayed.

F. Articles that are to be worn may be modeled in the Fashion Revue Classes of the *Shopping in Style* Division.

G. Special consideration will be given to articles which are of original design. Such articles should have a note attached explaining the original design.

H. All articles and garments must be finished for use.

I. When articles are normally worn as a pair, both articles must be shown together. Fasten articles together securely with yarn.

J. Exhibitors are expected to be enrolled in the Fiber Arts project in which they are entered. When the exhibit is a sewn garment that also includes one or more Fiber Art techniques (i.e. knitting, crochet, needle arts, or patchwork and quilting), the determination of what division (Sewing & Textile Design or Fiber Arts) and class in which to enter will be left with the 4-H participant.

K. Fiber Arts Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions in both the Junior and Senior age groups.

Classes:

Crochet, an article including felted items

*4111 - Junior

*4121 - Senior

Knitting, an article made either by hand or by knitting machine including felted items

*4112 - Junior

*4122 - Senior

Needle Arts, an article created by hand using any of the following techniques:

a) Embroidery and cross-stitch, b) Needlepoint, c) Candle wicking, d) Crewel, e) Lacework, f) Applique

*4113 - Junior

*4123 - Senior

Patchwork or Quilted article – it is an acceptable practice for the exhibitor to create the patchwork or quilted article and have someone else quilt it

*4114 - Junior

*4124 - Senior

Rug Making, a rug – acceptable techniques include braiding, latch hook, tying, floor cloth, etc. – the finished product should be an item that would be used in the home

*4115 - Junior

*4125 - Senior

Spinning, a skein – minimum 10 yards in length

*4116 - Junior

*4126 - Senior

Weaving, a woven article – members should attach information about the type of loom or process used

*4117 - Junior

*4127 - Senior

Ethnic Arts, an article – This is defined as a Fiber Art technique that is associated with a specific country or culture. It is a practical skill that was developed to provide basic family needs such as apparel, home furnishings or decorations. It is also defined as a method that has been maintained throughout history and passed on to others, often by observation and by example, such as batik, Swedish huck towel weaving, mud cloth, bobbin weaving, tatting, felted items that are not knitted or crocheted, etc. Members should attach information on the history of the ethnic fiber art, where it was used, by whom, how it was used, short description of technique, etc.

*4118 - Junior

*4128 - Senior

Macrame, an article

*4119 - Junior

*4129 – Senior

Educational Notebook - share with others what you learned in this project about a particular Fiber Art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-to, photographs of completed projects, or other ways of educating others about fiber arts. NOTE: a collection of brochures, web pages, patterns, record book forms, etc. does not constitute an educational notebook. Name, county, and fiber art covered must be clearly marked in the notebook.

*4120 - Junior

*4130 - Senior

Judging Time: Tuesday - 11:00 a.m.
(Conference Method)

Division Rules:

- A. Members may exhibit two entries per class with a maximum of 10 entries per exhibitor.
- B. Entries can be brought in Monday from 4:00 p.m. to 7:00 p.m. or Tuesday by 11:00 a.m.
- C. Entries should not take over one square foot of table space.
- D. All entries must be freestanding, easily moved, and not require any special equipment to display. Hanging entries are not accepted.
- E. Members are encouraged to exhibit cut flowers and fresh floral arrangements in disposable containers. If a non-disposable container is used, mark it plainly with your name.
- F. The Floriculture Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.

Specimen Class Rules:

- A. Must be grown by the 4-Her and DO NOT need to be in a special vase or arranged with greenery.
- B. Exhibits in Specimen classes should have the leaves left on above the water line in your container.
- C. Must be different kinds of flowers if two exhibits are entered in a class.

- D. Will be judged on the quality of the flower.
- E. The Preparing Cut Flowers for Exhibit bulletin is available at the Extension Office for help.

Specimen Classes:

- *5600 - Garden flower, single stem
(Annual)
- *5601 - Garden flower, single stem
(Perennial)

Floral Arranging Class Rules:

- A. Floral Arranging class entries will be judged on the quality of the flowers used as well as the arrangement, style, and technique.
- B. Classes 5602 and 5603 - All materials should be grown and collected rather than purchased.
- C. Classes 5605 and 5606 - Materials may be purchased.
- D. Classes 5607 and 5608 - Materials may be grown, collected, or purchased.
- E. Silk/Dried arrangements must be a product of this 4-H year's work.

Floral Arranging Classes:

- *5602 - Fresh flower arrangement - made with grown and collected materials
- *5603 - Dried Flower Arrangement - no fabric or plastic materials, made with grown and collected materials
- 5605 - Cut flower arrangement - made with purchased materials
- 5606 - Silk Flower Arrangement
- 5607 - Bud Vase Arrangement
- 5608 - Boutonniere or Corsage

Miscellaneous Classes:

- 5609 - Houseplants, foliage or flowering - must be cared for by the 4-Her for a minimum of 6 months
- 5610 - Educational Poster - see poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10
- *5604 - Floriculture Notebook - entry shall consist of a notebook or three ring binder of written narrative describing a floriculture project such as a flower garden or other related project. 4-H members are encouraged to include photographs, illustrations and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during and after the completion of the project are particularly helpful. Scoring is based on the following criteria: Organization and General Appearance (neat, includes title page and table of contents, original, creative, etc.) 20%, Narrative (including goals, successes, failures, etc.) 40%, General Content (subject matter, photos, maps, knowledge gained, etc.) 40%.

Judging Time: Monday - 1:00 p.m.
(Conference Method)

Division Rules:

- A. Members may exhibit two entries per class with a limit of six entries.
- B. All exhibits must have been preserved after previous year's fair and not exhibited at the previous State Fair.
- C. Exhibits must be processed in clean, clear, standard canning jars with two-piece lids. Lids and jars must be of the same brand. Do not use colored jars, fancy padded lids, fabric over-wraps, or cozies as they interfere with the judging process.
- D. No fancy packs unless recipe states to do so (ex. pickled asparagus).
- E. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe (ex. Salsa is canned in pint jars only, no quarts). There are 12-ounce, 24-ounce, and 28-ounce canning jars available that may be used. Use pint jar process recommendations for 12-ounce jars. Use quart jar process recommendations for 24-ounce and 28-ounce jars.
- F. Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol will be disqualified and not be judged.
- G. Use a rubber band to attach entry card around the top of the jar.
- H. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be disqualified. Recipe must include exhibitor's name, recipe source, date of publication, and altitude where food was processed. If using Mrs. Wage's or Ball® mixes, indicate the date the mix was purchased.
- I. Each jar exhibited must be labeled. Label must not cover brand name of the jar. Label must give name, county, class number, date processed including month and year, product, canning method (water bath, weighted gauge, or dial gauge pressure method), altitude where processed, process time, and amount of pressure (psi).
- J. Jars must be sealed when entered.

K. Recipes and processing methods from the sources below are recommended. Recipes must be current, tested resources and must be adjusted for altitude based on your processing location, or it will be disqualified. Processing methods that will be disqualified include: open kettle canning, oven canning, sun canning, and using electric multi-cookers. Untested recipes will be disqualified for food safety reasons. Tested recipe resources include: K-State Research and Extension Food Preservation publications; other university Extension food preservation publications; USDA Complete Guide to Home Canning 2015; So Easy to Preserve 6th Edition, The University of Georgia Cooperative Extension Service; Ball® Blue Book Guide to Preserving Edition 37; Ball® Complete Book of Home Preserving 2015 and 2020; Canning mixes (i.e. Mrs. Wage's, Ball®); Pectin manufacturers (i.e. SureJell, Ball®); KSRE Rapid Response Center Preservation Recipes; National Center for Home Food Preservation; Ball® and Kerr.

L. The Food Preservation Division Champion and Reserve Champion may be designated by the judge from all entries receiving a purple ribbon.

Classes (entry for each class is one jar):

- *4350 - Sweet Spreads (fruit and/or vegetables), Syrups
- *4351 - Fruits, Juices, Fruit Mixtures (salsa, pie filling, etc.)
- *4352 - Low Acid Vegetables (green beans, corn, etc., or vegetable mixtures)
- *4353 - Pickles (fruit or vegetable), Fermented Foods, Relishes, Chutney
- *4354 - Tomatoes, Tomato Products, Tomato Juice, Tomato Salsa (salsa in pints only, no quarts)
- *4355 - Canned Meats
- *4356 - Dried Foods - one kind of dried food, to be in a small canning jar. Suggested amount: 1/3 to 1/2 cup or 3 or 4 pieces per exhibit. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying (this is not the drying temperature). Dried products must include the recipe, preparation steps, and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found at <http://www.ksre.ksu.edu/bookstore/pubs/MF3173.pdf>

Judging Time: Monday - 1:00pm
(Conference Method)

Division Rules:

- A. Exhibitors may have a maximum of eight total exhibits in this division (each from a different recipe).
- B. Food exhibited becomes the property of the Geary County 4-H Clubs and will be sold with proceeds going into the 4-H Club Fund. A representative sample of the product will be put on display after judging.
- C. Food sale will be during food judging Monday. All food remaining will be sold to the public Tuesday.
- D. Baked products are to be placed on a piece of covered cardboard or paper plate cut or sized to fit the product, and then placed in a clear plastic food bag. **NO PLASTIC WRAP OR GARBAGE BAGS.** Cakes should not be placed on paper plates. Pies should be exhibited in a disposable container (not in a glass pie plate). Your entry will be dropped one ribbon placing if you bring your food product with plastic wrap or in a non-food safe bag. The Extension Office has larger plastic bags available for purchase. Decorated cakes do not have to be in a food bag or box.
- E. Small items, such as cookies and rolls, must be the same shape and same recipe in an entry *and 3 exhibited.*
- F. *Snack mix entries should be exhibited in a plastic bag and 1 cup entered.*
- G. *Fruit leather and dried fruit exhibits should consist of 3 pieces or 1/3 to 1/2 cup in a small canning jar.*
- H. Products must be whole, not cut except brownies and bar cookies which should be cut into 2" x 2" squares and 3 entered.
- I. All un-frosted cakes must be exhibited in the upright position with the crust showing, unless it is a special pan such as a Bundt cake.
- J. If the product does not meet specifications of the class it will not be eligible for exhibit.
- K. Under-baked entries will be lowered one or more ribbon placings.
- L. Alcohol (ex. wine, beer, hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol will be disqualified and not be judged.

M. A PAPER COPY OF THE COMPLETE RECIPE WITH INGREDIENTS AND INSTRUCTIONS IS REQUIRED FOR ALL FOOD PRODUCT EXHIBITS. Exhibits without a recipe will be lowered one ribbon placing. The recipe will be included in the bag of baked goods when it is sold. The Extension Office has a computer program that analyzes recipes for their nutritional value, please make an appointment to use it.

N. For food safety purposes, any food with raw eggs, custard and dairy-based fillings and frostings (ex. cream cheese), flavored oils, "canned" bread or cakes in a jar, cut fresh fruit, any foods requiring refrigeration (ex. bacon), or unbaked exhibit with raw flour (ex. no-bake cookies) will not be accepted. Refer to K-State Research and Extension Publication Judge's Guide for Food and Nutrition Exhibits (available from the Extension Office), for information to help you make informed, safe food exhibit decisions.

O. For food safety purposes, any entries with frostings and fillings must calculate the amount of sugar in the frosting/filling recipe only. Calculation must be attached to entry, or the placing will be lowered one ribbon when judged. Frostings and fillings need to contain more than 65% sugar for safety. Examples on how to calculate this percentage are located at <https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf>.

P. Mixes may be used; however, the judge will take the 4-H member's age and experience into consideration. If a mix is used for all or part of the product, the recipe, nutrition information, and ingredients off the box are used for the recipe requirement for judging.

Q. Educational Exhibits may be in the form of a poster, notebook, or display. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10. Name and county must be clearly marked on educational exhibits. NOTE: A collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit.

R. Junior (ages 7 to 11) and Senior (ages 12 and older) Division Champions and Reserve Champions may be selected by the judges from all foods given a purple ribbon. A Division Champion and Reserve Champion may also be selected from all Educational Exhibits and from all Culinary Arts exhibits.

Non-Perishable Food Product Classes:

4307 - Food Product prepared by 7 to 8-year old

Some examples of age-appropriate exhibits include: snack mix, bar cookies, muffins, cupcakes, and no-bake cookies. Exhibitors are not limited to these products.

4308 - Educational Exhibit prepared by 7 or 8-year old

*4300 - Food Product prepared by 9 to 11-year old

Some examples of age appropriate exhibits include: cookies, un-frosted cake, quick bread, muffins, and fruit leather or dried fruit (will be entered as Food Preservation if eligible for State Fair). Exhibitors are not limited to these products.

*4301 - Educational Exhibit prepared by 9 to 11-year old

*4302 - Food Product prepared by 12 to 14-year old

Some examples of age appropriate exhibits include: yeast bread, yeast rolls, rolled or molded cookies, quick bread, and biscuits. Exhibitors are not limited to these products.

*4303 - Educational Exhibit, prepared by 12 to 14-year old

*4304 - Food Product prepared by exhibitor 15 & older

Some examples of age appropriate exhibits include: frosted layer cake, angel food cake, bundt cake, fruit pie, yeast bread, and yeast rolls. Exhibitors are not limited to these products.

*4305 - Educational Exhibit, prepared by exhibitor 15 & older

Culinary Arts Classes (open to all ages):

*4360 - Food gift package. No alcoholic beverages will be accepted. A food gift package must contain at least 3 different food items (prepared for human consumption), made by the member, in a suitable container no larger than 18" x 18" x 18". Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. Food products will not be opened or tasted. Packaging should allow product to be seen. Home canned foods must follow Food Preservation rules. Canning jars should not be used for baking per manufacturer's instructions since they could break during baking.

4361 - Decorated Cake or other decorated edible food item – example gingerbread house. All products will be cut as quality of food item will be considered in judging.

4362 - Sculptured Food Item. May contain perishable items such as cut fresh fruit since it will not be tasted by the judge.

Judging Time: Tuesday - 12:30 p.m.

Division Rules:

- A. Members may exhibit only in the phase they are enrolled in and are limited to 3 entries per phase.
- B. All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.
- C. All leaf exhibits are to be mounted on 8½" x 11" heavy stock paper and placed in loose leaf binders. (Magnetic or adhesive filler sheets for photographic prints are recommended.) Twigs and fruit collections may be exhibited in whatever manner you choose. Maximum tri-fold size is 3' x 4'. Resources for exhibiting are located on the Kansas 4-H forestry project page.
- D. Name, club, age and year in project should be on the front cover or in a prominent location.
- E. Group specimens according to the years collected (such as "old – previous years" and "new"). New specimens are those specimens collected during the current 4-H year and cannot be a duplicate tree species of previously displayed specimens. When replacing a previously displayed sample, due to degradation, improper mounting, or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be placed in the "old – previous years" section of the display.
- F. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.
- G. Leaves should be identified with an appropriate label located near the leaf on the same page. Label should include proper common name as listed in the 4-H bulletin 334, "List of Native Kansas Forest Trees" (available from the Extension Office); location (city and/or county) where collected, and date (day, month, year or month, day, year) collected. Divide specimens into the following sections: Native Kansas Trees and Non-Native Trees.
- H. Exhibit one complete leaf where possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion comes from. A "leaflet" is incorrect when displayed as the complete leaf for the tree.
- I. Variations of varieties do not count as different species or specimens.

J. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.

K. The Forestry Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.

Leaf Collection Classes:

- *5100 - Beginning (Choose either A or B)
- A. Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
- B. Exhibit a minimum of 5 native Kansas trees showing leaf, twig, and fruit from each species collected.
- *5101 - Intermediate (Choose either A or B)
- A. Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
- B. Exhibit a minimum of 10 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig, and fruit specimens.
- *5102 - Senior (Choose either A or B)
- A. Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
- B. Exhibit a minimum of 15 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig, and fruit specimens.
- *5103 - Advanced (Choose either A or B)
- A. Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
- B. Exhibit a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 10 new leaf, twig, and fruit specimens.

Display/Notebook Classes:***5104 - How a Tree Grows**

Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study or mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut or exhibits an illustration of how a tree grows.

***5105 - Tree Appreciation**

Entry may include a research or reporting project notebook with no more than 10 pages based on the exhibitor's selected tree. Exhibit must be a different species of tree each year. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected.

***5106 - Growing and Protecting Trees**

Entry requires a display, or project notebook, telling about project and pictures before, during, and after planning seedlings, a container tree, or a balled and burlapped tree.

***5107 - Tree Culture**

Entry requires a display, or project notebook, showing your project work and includes pictures of before, during and after wood lot improvement.

***5108 - How Forests Serve Us**

Entry may include collected wood samples (all or partial) and 2-page essay. Wood sample display to be mounted on poster board or any stiff material no larger than 3' x 4' tri-fold. Essay should be displayed in a covered binder.

***5109 - Educational/Creative Exhibit**

Entry must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc.) given a maximum tri-fold size of 3' x 4'. This is a good class to exhibit an unusual collection.

Judging Time: Tuesday - 12:30 p.m.

Division Rules:

A. Exhibitor is limited to only one of the first four geology classes (5200-5203) and one of the lapidary classes (5300-5304). Exhibitor may also enter in geology class 5204, 5205, 5206, and 5207.

B. The exhibit box should be 18" x 24" x 3½". If a box has a sliding cover, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing the cover should not be used. Cover must be Plexiglas. For Lapidary classes only, the dimensions of the box should be appropriate for the display, but should not exceed 18" x 24" x 3½".

C. All specimens are to be arranged across the narrow (18") dimension of the exhibit box.

D. Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of specimens in the upper left-hand corner of the Plexiglas cover (inside - use clear double-sided tape to adhere gummed labels), and by attaching a label with the same information on the lower right corner of the box (outside).

E. The Geology Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.

Geology Rules:

A. Geology specimens should be labeled with the number of the specimen, date collected, specimen name or description, and the county where collected.

B. Specimens in classes 5200 -5203 should be mounted in the box by proper groups - rocks, minerals, fossils.

C. All of the specimens in classes 5200 – 5203 and 5205-5207 must be collected (not purchased) from locations in Kansas with the exception of Tri-State Mining area specimens collected from these three adjacent counties: Ottawa County, OK; Newton and Jasper Counties, MO. Other out-of-state specimens will not count in the minimum number for the class, nor will they be considered in judging.

D. Fossils must be identified to the Phylum, Class and Genus level. Genus name is to begin with a capital letter. Species name is all lower case. Genus and species names must either be italicized or underlined, not both. The words "phylum, class, genus" on labels are to be spelled out, not abbreviated.

E. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Articulata Genus: Composita).

Geology Classes:

- *5200 - Display at least 15 different rocks, minerals or fossils collected during the current 4-H year. Limited to one standard exhibit box.
- *5201 - Display at least 30 different rocks, minerals or fossils; at least 5 of each. Fifteen must be collected during the current 4-H year. Limited to one standard exhibit box.
- *5202 - Display at least 45 rocks, minerals or fossils; at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibit limited to two standard exhibit boxes. Identify the rocks as igneous, metamorphic, or sedimentary. These rock types must be spelled out on labels or have a legible key.
- *5203 - Display at least 60 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibit limited to two standard exhibit boxes. Identify the rocks as igneous, metamorphic, or sedimentary. These rock types must be spelled out on labels or have a legible key.
- *5204 - Educational exhibit relating geology to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archeological artifacts, or Indian artifacts. Exhibit limited to 4 feet of table space. Digital formats are accepted. Please plan for the judge to view your exhibit and have a hard copy for display.
- *5205 - Mineralogy. Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (ie: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box. The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (i.e.: CaCO₃ for calcite) if known.

- *5206 - Fossils. Display a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.). The member must use one standard display box. The specimens must be labeled with the number of the specimen; date collected; county where collected; formation; member or source; Phylum, Class, and Genus or part; and geologic age (Cretaceous, Permian, Pennsylvanian, etc.). See D. on Page 62 for labeling expectations.
- *5207 - *Rocks. Display a minimum of 15 rock specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. Rocks are to be grouped by the 3 rock classes (Sedimentary, Igneous, and Metamorphic). The specimens must fit in one standard display box. You must display at least one specimen from each of the three classes. Specimen labels must include a specimen number, the date collected, name of specimen, and the county where collected. All rocks must be identified by the formation and member name (Examples: Fort Hays Limestone, Member of the Niobrara Chalk Formation) or source (Examples: Rocky Mountain Outwash, glacial till).*

Lapidary Rules:

- A. The lapidary will be judged on the following criteria:
 - 1. Workmanship and Content 60 points
 - 2. Presentation and Showmanship 30 points
 - 3. Accuracy of Information 10 points
- B. All lapidary specimens should be labeled with the following information:
 - 1. Specimen name
 - 2. Place of origin (country, state, or county; county required for Kansas specimens)
 - 3. Purchased or self-collected
 - 4. Date lapidary treatment began
 - 5. Date lapidary treatment completed (treatment completed after the fair is considered a new year specimen)

Lapidary Classes:

- *5300 - Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of “before and after”, nor do they have to be self-collected.
- *5301 - Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the member collect any of these. Lapidary work must be done during the current 4-H year.
- *5302 - Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least 2 varieties should be collected from the native site by the member, at least one of which comes from Kansas. Lapidary work on at least 3 varieties should be done during the current 4-H year.
- *5303 - Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least 3 varieties should be collected from the native site by the member, at least 2 of which come from Kansas. Lapidary work on at least 3 varieties should be done during the current 4-H year.
- *5304 - Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least 3 cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

Market Goat Weigh-in: Monday - 4:00-6:00 p.m.
Judging Time: Monday - 7:00 p.m.

Division Rules:

A. Be sure to read the general rules, livestock rules, livestock health rules, and auction guidelines at the front of this book.

Dairy Goat Rules:

- A. Goats must be owned and in possession of 4-H member by May 1.
- B. All dairy animals will be shown by breed.
- C. All Junior Does are animals that are not in milk or have not previously freshened. All Senior Does are animals that are in milk or have previously freshened.
- D. In determining the age class in which the animal is shown, the cutoff date will be the date of the fair.
- E. Lactating milkers may be brought in by 5:30 p.m. on Monday and released following the show. Those entries are to be checked in with the superintendent on Monday between 5:30 - 6:30 p.m.
- F. Limit two animals per class, not to exceed five in total.
- G. Dairy Goat Division Champion and Reserve Champion may be designated by the judge from Champions and Reserve Champions in each breed.

Dairy Goat Classes:

- *1200 - Junior Doe under 5 months
- *1201 - Junior Doe 5 months to under 8 months
- *1202 - Junior Doe 8 months to under 12 months
- *1203 - Junior Doe 12 months to under 24 months
- *1204 - Senior Doe up to 24 months

- *3406 - Pre-junior Buck - only breeds listed previously with Pre-junior classes
- *3407 - Pre-junior Doe - only breeds listed previously with Pre-junior classes
- *3420 - Meat pen: 3 rabbits all one recognized breed and variety (broken varieties must be same color)
Minimum weight 3½ lbs. each, maximum weight 5½ lbs. each, and not over 70 days of age. Will be judged on their meat qualities, condition, uniformity, and fur.

Fur Rules:

- A. Fur entries must be made from rabbits that are entered in the regular breed classes 3400-3407.

Fur Classes:

- *3450 - Normal White Fur
- *3451 - White Satin Fur
- *3452 - White Rex Fur
- *3453 - White Wool Fur
- *3454 - Normal Colored Fur
- *3455 - Colored Satin Fur
- *3456 - Colored Rex Fur
- *3457 - Colored Wool Fur

Showmanship Rules:

- A. Members must show their own animal.
- B. Showmanship age is member's age as of January 1 of the current year.
- C. Judge may designate a Rabbit Showmanship Champion and Reserve Champion from Class Champions and Reserve Champions in classes 3460-3464.

Showmanship Classes:

- *3460 - Rabbit Showmanship (15 & older)
- *3461 - Rabbit Showmanship (13 to 14-year old)
- *3462 - Rabbit Showmanship (11 to 12-year old)
- *3463 - Rabbit Showmanship (9 to 10-year old)
- 3464 - Rabbit Showmanship (7 to 8-year old)

Judging Time: Tuesday - 10:00 a.m.
(Conference Method optional)

Division Rules:

- A. May be poster, notebook or free-standing display. See display and poster guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.
- B. Use your imagination in preparing the exhibit.
- C. Label everything in exhibit for identification purposes.
- D. Meeting with the judge for conference-style judging is optional. Sign-up instructions will be provided to you ahead of the fair if you would like to conference with the judge.
- E. The Reading Division Champion and Reserve Champion may be designated by the judge from all entries.

Class:

0600 - Reading project exhibit

Judging Time: Tuesday - 10:00 a.m.
(Conference Method)

Division Rules:

- A. Robotics Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.
- B. All exhibits must have been completed during the current 4-H year.
- C. Each member may enter two exhibits per class.
- D. Exhibitor's name, county, 4-H age, and years in project must be tagged or labeled in a prominent location on the exhibit. This must be on the back of displays and posters.

Robotics Rules:

- A. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited. Each exhibit must include a robot; information packets are not sufficient.
- B. Robots must have automated articulated structures (arms, wheels, grippers, etc.). Game consoles that display on a screen are not considered robots and should either be entered in computer systems classes or *electric & renewable energy* division. Robots requiring no assembly, just programming, such as Ozobots, are considered computer systems projects as the skill is focused on programming.

C. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds. If displayed in a case (not required), the outside case dimensions may not be more than 26" in height, width, or depth.

D. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.

E. Robots may be powered by an electrical, battery, water, air, or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified.

F. Remote controlled robots are allowed under certain conditions provided that the robot is not drivable. *Robots programmed on phones/tablets need to have a specific program created, using motion controls to move the robot is not acceptable.* Robotic arms (hydraulic or electric) are allowed. A remote is allowed provided more than a single action happens when a single button is pressed on the remote, for example "a motor spins for 3 seconds, at which point an actuator is triggered, then the motor spins for 3 more seconds". Remote controlled cars, boats, planes, and/or action figures, etc. are not allowed.

G. All robots should have a purpose or intended function, examples include, but are not limited to: following a line, sweeping the floor, solving a Rubix Cube, sorting colors, or climbing stairs.

H. Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete tasks as determined by the exhibitor.

I. Each exhibitor is required to complete the "4-H Robotics Exhibit Information Form" for the current year. This form must be attached to the outside of a 10" x 13" manila envelope.

J. The exhibit must include written instructions for operation, construction plans and one to *five* pages of project photographs. For robots that can be programmed, robot programming information must be included. This information should be placed inside the 10" x 13" manila envelope. Robot programming information can be, but is not limited to, source code, block diagrams, screen captures of the coding window, and other images that show the programming logic used.

K. Creativity, workmanship, and functionality will be strong criteria in judging the "Robot designed by Exhibitor" classes. Robots designed by exhibitor must not be a mere modification of an existing robot kit or plan.

L. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession or creation, physical and/or electrical that could be used to inflict damage and/or harm to individuals, animal life, and/or property.

Robotics Classes:

7 to 8-year old exhibitors

5504 - Robot made from a commercial (purchased) kit (no programming, just assembly)

5505 - Robot designed and constructed by exhibitor

5506 - Programmable robot made from a commercial (purchased) kit

5507 - Robot designed and constructed by exhibitor or from a commercial kit that is operable by a remote-controlled device

5508 - Junk Drawer Robotics-based curriculum robot

9 to 13-year old exhibitors

*5509 - Robot made from a commercial (purchased) kit (no programming, just assembly)

*5510 - Robot designed and constructed by exhibitor

*5511 - Programmable robot made from a commercial (purchased) kit

*5546 - Robot designed and constructed by exhibitor or from a commercial kit that is operable by a remote-controlled device

*5544 - Junk Drawer Robotics-based curriculum robot

14 and older exhibitors

*5513 - Robot made from a commercial (purchased) kit (no programming, just assembly)

*5514 - Robot designed and constructed by exhibitor

*5515 - Programmable robot made from a commercial (purchased) kit

*5547 - Robot designed and constructed by exhibitor or from a commercial kit that is operable by a remote-controlled device

*5545 - Junk Drawer Robotics-based curriculum robot

Any exhibitor

*5517 - Robot designed and constructed by 2 or more 4-H members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This class is designed to encourage teamwork and cooperation among 4-H members. As with many high-tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project.

Educational Exhibit Rules:

A. Educational displays and posters should be creative and showcase something specific you have learned in the project during the current 4-H year. Exhibits must show a clear link to the Engineering and Technology area of Robotics. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Exhibits must contain substantial supporting educational materials. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.

B. Project notebooks must be organized in a 3-ring binder.

C. Displays, Notebooks, and Posters do not need an Exhibit Information Form included.

D. Sources of scientific information must be cited on the front of your exhibit, including all posters and educational display boards.

E. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board. Educational posters must be no larger than 20" x 30".

F. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.

G. Robotics team project notebooks should highlight information/roles of each team member, drawings, charts, photographs, goals and objectives of your robotics project, and all robotic competitions your team has competed in during the current 4-H year.

Educational Exhibit Classes:

7 to 8-year old exhibitor

5753 - Robotics Display

5754 - Robotics Notebook

5755 - Robotics Poster

9 to 13-year old exhibitor

*5756 - Robotics Display

*5757 - Robotics Notebook

*5758 - Robotics Poster

14 and older exhibitor

*5761 - Robotics Display

*5762 - Robotics Notebook

*5763 - Robotics Poster

Any exhibitor

*5766 - Team Robotics Display

*5767 - Team Robotics Notebook

*5768 - Team Robotics Poster

Judging Time: Thursday - 10:00 a.m.

Contest Rules:

- A. The top two individuals in Beef, Dairy, Goat, Horse, Sheep, and Swine Showmanship will participate in this contest to determine the Champion and Reserve Champion Showmanship competitors. Judging Time: Monday - July 15

-*Shopping in Style* and Fashion Revue Classes will be judged by conference method as scheduled starting at 1:00 p.m.

Division Rules:

A. Fashion Revue *outfits* and *Shopping in Style exhibits* will be on display at the Geary County Free Fair. Members **MUST HAVE** *outfits and exhibits* displayed at the fair to collect ribbons and premium money. Bring items to Fair Set-up or Foods/ Photography Judging. Please bring clothing on swivel hangers for ease of display.

Fashion Revue Rules:

- A. Fashion Revue is open to any 4-H member enrolled in *Sewing & Textile Design* and/or Fiber Arts.
- B. After the pre-entry deadline, you will be sent a schedule indicating when you are to model.
- C. Articles, garments, and outfits may have been used or worn, but shall be carefully laundered or cleaned before being exhibited.
- D. Bring to judging:
1. Completed Fashion Revue Evaluation Scorecard (one per outfit) with photo attached. Size of photo not to exceed 5" wide and 6" tall.
 2. Completed Cost Per Wear Sheets which are required for Level 3 & 4 exhibitors (age 12 and up). Cost Per Wear Sheets are optional but recommended for Level 1 & 2 exhibitors (age 7 to 11). Make sure to use current Cost Per Wear form.
- E. Identification labels are required.
1. Type or print on a clothing label or a 3" x 2½" piece of cloth: 4-H Member's Name, Class Number, and County
 2. Sew or safety pin (no straight pins) labels on inside of garment (back of neck, center back of waistband, or left end of apron band) before bringing to fair for display. Label each piece.
- F. Members in constructed fashion revue classes may model 4 garments. Members in purchased fashion revue classes may model 2 garments.
- G. Constructed Fashion Revue garments that are being modeled must also be exhibited in consultation judging with *sewing & textile design* judges.

H. *PURCHASED FASHION REVUE* - Majority of outfit must be purchased (not borrowed) during the current 4-H year and modeled by the 4-H member or made by another individual for the 4-H member if the fabric and pattern were chosen by the 4-H member. Everything which is commonly considered an outer garment must be purchased by the 4-H member or constructed by another person (vest, jacket, dress, skirt, pants, coat, etc.).

I. *CONSTRUCTED FASHION REVUE* – *For exhibitors 10 and older*, majority of outfit must be constructed during the current 4-H year and modeled by the 4-H member who made the garment/outfit. Everything which is commonly considered an outer garment must be constructed (vest, jacket, dress, skirt, pants, coat, etc.). A sweater, blouse or shirt that is worn underneath another constructed garment can be purchased or made. *For exhibitors 7 to 9 years old, 50% or more of outer garments should be constructed (for example, exhibitor could make a pair of pants or skirt and buy a shirt).*

J. Members are expected to be present at judging. If a situation occurs beyond your control that would prevent you from being at judging, contact the Extension Office for other options.

K. Contestants should use good sense in choosing items that are appropriate to be modeled publicly.

L. Participant may model only what can be worn. Garments cannot be carried and all accessories must be wearable.

M. Fully descriptive script for garments must be turned in before leaving the day of Fashion Revue judging for Public Revue. Script must be complete and not need editing. Assistance in writing script will be available.

N. In consideration of length of the Public Revue, each 4-H member will be allowed to model only two outfits total (this can be two constructed garments, two purchased garments, or one of each).

O. The Fashion Revue Champions and Reserve Champions may be designated by the judges for Junior, Intermediate and Senior in the areas of Construction, *Boys Purchased Garments*, and *Girls Purchased Garments*.

P. *Geary County State Fair Representatives will be the following: Purchased Garments Division Champions in 14 and older (Senior) classes and 10-13 (Intermediate) classes; Constructed Garments Division Champion and Reserve Champion in 14 and older (Senior) classes and 10-13 (Intermediate) classes. If those designated cannot attend, the judges will have named "State Fair Designates" who will then represent Geary County.*

Fashion Revue Classes:

Constructed Garments Fashion Revue

6008 - Constructed Fashion Revue 7 to 9-year old

6005 - Constructed Fashion Revue 10 to 13-year old

6000 - Constructed Fashion Revue 14 and older

Girls Purchased Garments Fashion Revue

6030 - 7 to 9-year old Jr. Girls Purchased Fashion Revue

6020 - 10 to 13-year old Intermediate Girls Purchased Fashion Revue

6010 - 14 and older Sr. Girls Purchased Fashion Revue

Boys Purchased Garments Fashion Revue

6060 - 7 to 9-year old Jr. Boys Purchased Fashion Revue

6050 - 10 to 13-year old Intermediate Boys Purchased Fashion Revue

6040 - 14 and older Sr. Boys Purchased Fashion Revue

Shopping in Style Rules:

A. *See display and poster guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.*

B. *Each year in Shopping in Style should build on previous year's learning experience.*

C. *May enter a maximum of 2 exhibits in Shopping in Style. Each exhibit must be a different exhibit option.*

D. *Photos of 4-H member in purchased outfit must demonstrate criteria as outlined on scoresheet. Consider multiple angles and lighting to highlight details so that the judge may accurately evaluate the exhibit.*

E. *Exhibits should include actual photos of 4-H member in garments. May also include pictures from magazines or the internet.*

F. *Shopping in Style Champion and Reserve Champion may be designated by the judge(s) from Class Champions and Reserve Class Champions.*

Shopping in Style Classes:

*4020 - Junior (ages 7-9)

Exhibit should consist of a poster that showcases one of the following about a garment you have purchased:

1. *Explain how the garment reflects your personal style and how it influences what others think of you.*
2. *Explain how your personal style either aligns or contradicts what is considered to be "in style" today.*
3. *Explain or illustrate how the garment is a modern version of a fad or fashion from an earlier decade.*
4. *Explain how the garment reflects a different ethnic or cultural influence.*
5. *Include a color discussion that provides an overview of how different colors complement different hair colors and skin tones and how that influenced garment selection.*

***4021 - Intermediate (ages 10-13)**

Exhibit should consist of a display that showcases one of the following:

1. *An outfit you purchased to wear with a clothing item that was already in your wardrobe that still fit, but you didn't wear anymore. Explain why the clothing item was not being worn and what you did to transform it into a wearable garment again.*
2. *A top and bottom that you purchased, as well as at least 3 pieces of clothing in your existing wardrobe that you can mix and match with the new items to create multiple outfits. Include a clothing inventory and explain what you have learned by completing this activity.*
3. *For an outfit you purchased, explain why you selected the garment you did, your shopping budget, and cost per wear.*
4. *For an outfit you purchased, explain how advertising influences clothing purchases, making a distinction between wants and needs. Include your shopping budget and cost per wear.*
5. *For an outfit you purchased, provide a cost comparison between garments/accessories purchased vs. sewing/constructing the outfit. Comparison should include variety of shopping options and/or price tracking at stores over a period of time.*

***4022 - Senior (ages 14-18)**

Exhibit should consist of a display that showcases one of the following about an outfit you have purchased:

1. *Care requirements, not only for this garment, but also for garments made of other natural and synthetic fibers. Display should also include a care cost analysis for garments of different fibers.*
2. *Repairs or alterations. Include a clothing inventory list which includes cost savings for repaired items as compared to purchasing replacement garments.*
3. *Plans and commentary for a fashion show that would capture the attention of an audience. Plans should identify target audience, venue, theme, budget, and logistics for the fashion show.*
4. *Explain 3 methods of clothing repair that you have learned (such as torn seam, torn hem, replacing a button, etc.). Display should also include photos and list of your assembled clothing first aid kit. Include itemized expenses.*
5. *Feature any other completed activity from the Shopping in Style curriculum of your choosing that isn't listed above.*

Judging Time: Tuesday - 11:30 a.m.
(Conference Method)

Small Engines Rules:

- A. See display and poster guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.
- B. All small engines exhibits should involve engines smaller than 20 horsepower.
- C. Engines should contain no fuel in tank or carburetor.
- D. Items that have been in use should be cleaned for exhibit.
- E. A sheet of operating instructions must be furnished for any exhibit not self-explanatory.
- F. No complete engines, lawn tractors, tillers, or chainsaws are permitted for display in classes 4610 and 4611.
- G. *The Small Engines Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.*

Small Engines Classes:

***4610 - Display** - Exhibit a display, selecting one of the following options:

- 1) identifying different engine or lawn and garden equipment parts or showing the function of the various engine or lawn and garden equipment parts
- 2) identifying and explaining the function(s) of different special tools needed for small engine work
- 3) illustrating and providing the results of any one of the experiments that are included in the project books

***4611 - Maintenance** - Exhibit a display that illustrates either:

- 1) routine maintenance procedures
- 2) diagnosing and troubleshooting specific problems in an engine

***4612 - Operation** - Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. *Total size of exhibit limited to 4' wide and 4' deep.*

Market Hog Weigh-in: Tuesday - 7:30-9:30 a.m.

A. Be sure to read the general rules, livestock rules, livestock health rules, and auction guidelines at the front of this book.

Breeding Swine Rules:

- A. Members may exhibit two breeding gilts per class, not to exceed five breeding gilts in total.
- B. Breeding gilts must have been born after January 1 of the current year.
- C. Breeding Swine Division Champion and Reserve Champion may be designated by the judge from Breed Champions and Reserve Champions in classes.

Breeding Swine Classes:

- 1500 - Purebred Gilt Class
- 1501 - Commercial Gilt Class
- Division Champion Breeding Swine Class

Market Swine Rules:

- A. MARKET SWINE MUST WEIGH AT LEAST 220 POUNDS AT FAIR WEIGH-IN TO SELL AT THE FAIR AND TO SHOW FOR CHAMPION.
- B. Each member enrolled may exhibit two market barrows or market gilts per breed, not to exceed five market swine in total.
- C. All market swine must be tagged by *May 24*.
- D. Weight breaks and classes to be used will be determined following fair weigh-in. Additional classes will be added as needed separated on weight breaks. Must have three market swine of one breed to create a purebred class.
- E. All market swine not meeting the weight requirement of 220 pounds will show in the Lightweight Market Swine Class, regardless of breed.
- F. Barrows must be physical castrates.
- G. Market Swine Champion and Reserve Champion may be designated by the judge from Breed Champions and Reserve Champions in Purebred Market Swine Classes (if added), All Other Purebred Market Swine Class, and Crossbred Market Swine Class.

Market Swine Classes:

- 1520 - Purebred Class
- 1521 - Crossbred Class
- Champion Crossbred Market Swine Class
- Division Champion Market Swine Class

Swine Showmanship Rules:

- A. 4-H member must show their own animal.
- B. Class Champions and Reserve Champions from classes 1550-1552 will compete to determine Swine Showmanship Champion and Reserve Champion who will move on to the Round Robin Contest. Showmanship ribbons will be awarded.

Swine Showmanship Classes:

- 1550 - Swine Showmanship (14 & older)
- 1551 - Swine Showmanship (10 to 13-year old)
- 1552 - Swine Showmanship (7 to 9-year old)

Rate of Gain Contest Rules:

- A. Open to any 4-H member enrolled in the market swine project who is a member of a Geary County Community 4-H Club.
- B. Hog must be weighed at official county weigh-in (beginning weight) and at the fair weigh-in (ending weight).
- C. Hogs must be exhibited at the fair to be eligible.
- D. Winner will be announced during the swine show.
- E. Name, ADG, and year will be engraved on a plaque kept in the trophy case at the 4-H Building.

Judging Time: Tuesday - 11:30 a.m.
(Conference Method)

Uncrewed Aerial Systems Rules:

- A. *Uncrewed* Aerial Systems (UAS) Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.
- B. All exhibits must have been completed during the current 4-H year.
- C. Each member may enter two exhibits per class.
- D. The information that accompanies the UAS must be limited to the 4-H UAS Exhibit Information Form for the current year which is affixed to a 10" x 13" envelope. This envelope should NOT be attached to the UAS.
- E. UAS exhibits designed and constructed by exhibitor must not be mere modification of an existing kit or plan. UAS's purchased off the shelf may not be exhibited in these classes.
- F. If modifications are made to exhibits built from a kit, a page should be included in the envelope noting those modifications.

G. For practical application classes, the UAS is not required to be displayed as part of the exhibit, only the supporting material.

H. Practical application class entries include one or more of the following: video, notebook, poster, display board, etc. These classes are separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many non-agricultural UAS uses that would be appropriate for this class.

I. Uncrewed Aerial Systems that include or depict weaponry of any kind will be disqualified.

J. Exhibitor's name, county, age, and years in project must be tagged or labeled in a prominent location on the exhibit.

Uncrewed Aerial Systems Classes:

7 to 8-year old exhibitors

5703 - Uncrewed Aerial System designed and constructed by exhibitor that is operated by a remote-control device.

5704 - Practical application of an Uncrewed Aerial System constructed from a commercial (purchased) kit.

9 to 13-year old exhibitors

*5701 - Uncrewed Aerial System designed and constructed by exhibitor that is operated by a remote-control device.

*5702 - Practical application of an Uncrewed Aerial System constructed from a commercial (purchased) kit.

14 and older exhibitors

*5706 - Uncrewed Aerial System designed and constructed by exhibitor that is operated by a remote-control device.

*5707 - Practical application of an Uncrewed Aerial System constructed from a commercial (purchased) kit.

Educational Exhibit Rules:

A. Educational displays and posters should be creative and showcase something specific you have learned in the project during the current 4-H year. Exhibits must show a clear link to the Engineering and Technology area of Uncrewed Aerial Systems. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Exhibits must contain substantial supporting educational materials. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.

B. Project notebooks must be organized in a 3-ring binder.

C. Displays, Notebooks, and Posters do not need an Exhibit Information Form included.

D. Sources of scientific information must be cited on the front of your exhibit, including all posters and educational display boards.

E. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board. Educational posters must be no larger than 20" x 30".

F. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.

Educational Exhibit Classes:

7 to 8-year old exhibitor

5790 - Uncrewed Aerial System Poster

5791 - Uncrewed Aerial System Display

5792 - Uncrewed Aerial System Notebook

9 to 13-year old exhibitor

*5781 - Uncrewed Aerial System Poster

*5782 - Uncrewed Aerial System Display

*5783 - Uncrewed Aerial System Notebook

14 and older exhibitor

*5786 - Uncrewed Aerial System Poster

*5787 - Uncrewed Aerial System Display

*5788 - Uncrewed Aerial System Notebook

*Judging Time: Tuesday - 9:30 a.m.
(Conference Method optional)*

Veterinary Science Rules:

A. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.

B. If photographs are to be part of the exhibit, remember that they will be viewed by the public. Make sure that the photographs are in good taste and will not be offensive to anyone. Graphic photographs of excessive bleeding, trauma, or painful procedures are not appropriate. For exhibits related to veterinary surgical procedures, aseptic techniques need to be shown, for example, use of drapes, use of sterile procedures, wearing of gloves and other appropriate veterinary medical practices.

C. Posters may be either vertical or horizontal.

D. Displays may include, but are not limited to, a 3-dimensional exhibit, a scale model, or the actual product (for example: skeleton; teeth; samples of leather, fur, or dried skin damaged by disease or parasites). A display may be mounted on poster board not to exceed 22" x 28" or on 1/4" plywood or equivalent that does not exceed 24" high or 32" wide.

E. Name, county, age, and year in project should be on the front of the poster, display, or notebook.

F. *Appropriate topics include: maintaining health, specific disease information, photographic display of normal and abnormal characteristics, animal health or safety, public health or safety, proper animal management to ensure food safety and quality, efficient and safe livestock working facilities, and a topic of the exhibitor's choosing related to veterinary medicine or veterinary science.*

G. *All references and information must be properly cited. Proper sources include but are not limited to: professional journals and publications, professional AVMA accredited websites, interviews with veterinarians, and excerpts from veterinary educational literature. Plagiarism will result in disqualification.*

H. *Meeting with the judge for conference-style judging is optional. Sign-up instructions will be provided to you ahead of the fair if you would like to conference with the judge.*

I. *Veterinary Science Champion and Reserve Champion may be designated by the judge from all exhibits.*

Veterinary Science Classes:

- *7000 - Large Animal Poster, Notebook, or Display
- *7001 - Small Animal Poster, Notebook, or Display

Judging Time: Tuesday - 8:30 a.m.
(Conference Method)

Division Rules:

- A. Junior age is 7-11 and Senior age is 12 and older.
- B. Members may exhibit 4 entries per class with a maximum of 8 total entries.
- C. All exhibits which need to be hung must have a wire or saw tooth hanger attached (no string or tape) in order to be properly displayed. If necessary hardware is not attached, it may not be displayed.
- D. Multi-piece items should be marked accordingly.
- E. If a photo, sketch, or other idea source was used, submit it with your entry.
- F. Class Champion and Class Reserve Champion may be given in each class. Class Champions and Class Reserve Champions from each class will be judged for a Division Champion and Division Reserve Champion in both the Junior and Senior age groups.

G. *One exhibit in each category (fine arts, clay and ceramics, leather and jewelry, three dimensional, and general crafts) may be selected to advance to state fair. State fair entries must be of original design created by the exhibitor. These exhibits will be judged and awarded ribbons. A member may only exhibit one visual arts item at the state fair.

Fine Art Classes:

Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided the frame has a hanger.

- 4511 - Jr. Fine Art
- 4501 - Sr. Fine Art

Clay and Ceramics Classes:

Any original item made of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statues, bowls, etc.

- 4512 - Jr. Clay and Ceramics
- 4502 - Sr. Clay and Ceramics

Leather and Jewelry Classes:

Any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits.

- 4513 - Jr. Leather and Jewelry
- 4503 - Sr. Leather and Jewelry

Three Dimensional Classes:

The exhibit must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable in these classes.

- 4514 - Jr. Three Dimensional
- 4504 - Sr. Three Dimensional

General Crafts Classes:

This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.

- 4515 - Jr. General Crafts
- 4505 - Sr. General Crafts

Judging Time: Tuesday - 9:30 a.m.
(Conference Method optional)

Division Rules:

- A. Each member enrolled may have one entry in each class.
- B. Name, county, age and year in project should be in a prominent location on the exhibit.
- C. Care should be taken to select durable materials that will withstand fair conditions.
- D. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.
- E. Exhibitors must comply with State and Federal laws. It is illegal to possess threatened or endangered wildlife, or the feathers, nests or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.
- F. Meeting with the judge for conference-style judging is optional. Sign-up instructions will be provided to you ahead of the fair if you would like to conference with the judge.
- G. The Wildlife Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions.

Classes:

- *5400 - Wildlife Notebook - notebook contents should pertain to some phase, results, story or information about the wildlife project
- *5401 - Promotional Poster - must be related to something learned in the wildlife project (flat poster board or foam board no larger than 22" x 28")
- *5402 - Educational Display - must be directly related to the wildlife project (maximum tri-fold size is 3' x 4')
- *5403 - Fish Harvesting Equipment - Board exhibit. *Display of equipment used in fish harvesting. Examples: fishing knots, hooks (with corks over ends for safety), lures. Label all items. Include in exhibit the following information: the purpose of each item, when or where each item is used.*

- *5404 - *Build a Fishing Rod - Exhibit may not exceed 96 inches in length. Exhibit must be mounted on a board. Include with exhibit: explanation of cost of materials/components and number of hours required for construction. Label all parts. Necessary components which must be included are grip, line guides (based on manufacturer's specifications), guide wraps (size A to D), and hook keeper. Reel seat needs to be aligned with guides, and guides aligned accurately down rod. Thread can be nylon or silk. Exhibit will be judged on workmanship, labeling of parts, information, and neatness.*
- *5405 - *Casting Target - Make a casting target for exhibit and use. Target must be under 48" x 48". The bullseyes must be 2 feet, outer band must be 1 foot in diameter and can have up to 3 rings. The exhibit must be easy to store, durable, and weather resistant. Include the purpose and rules of using your casting target.*
- *5406 - *Wildlife Harvesting Equipment - Board Exhibit. Display of equipment used in harvesting wildlife. Examples: expended ammunition casings (no live ammunition permitted), steel traps, hide stretchers, fleshers, etc. For displays of shotguns, rifles, or bows, use drawings or pictures. Label all items displayed with the purpose of each item, when or where it is used and personal experiences with the item.*
- *5407 - *Inventing Wildlife/Fish Harvesting Equipment, Aid or Accessory - Use engineering principles to invent or adapt equipment that helps you harvest fish or wildlife. This could include wildlife calls, adapted fishing pole for shallow water, a blind, decoys, etc. Share your drawing (or adapted plans), how the equipment works, how you tested it, the results of testing your prototype, and any adjustments you made.*
- *5408 - *Tanned Hides - Exhibit of a wild animal hide properly processed by the member. If not mounted, must be in a clear clothing bag with hanger. Include the animal's name and the following: information about the exhibitor's personal field experiences, study, OR observations that relate to the exhibit.*
- *5409 - *Taxidermy - Any legal fish, bird, or other wild animal properly processed by the member. No requirement as to mounting. Include the animal's name and the following: information about the exhibitor's personal field experiences, study, OR observations that relate to the exhibit.*

*5410 - *Wildlife Tracks - Board or diorama-type box exhibit. Make a display of animal tracks using plaster-of-paris casts. There are 3 options. For all options, include a brief description of your experiences in making the tracks so the judges better understand what you did and learned. Positive casts (impressions as they would be in nature) are preferred. - Option 1 should show plaster-of-paris tracks of five or more kinds of wildlife along with a picture or illustration of each kind of animal. (OR) - Option 2 should show two or more plaster-of-paris tracks of one specific kind of wildlife and should include a picture or illustration of the animal, what the animal may eat, and what may eat the animal. (OR) - Option 3 should show two tracks and include the animal's habitat needs including preferred food, shelter, water, and space in addition to picture or illustration of the animal.*

*5411 - *Wildlife Knowledge Check - Use electrical circuits, pictures, or other methods of teaching wildlife identification or other wildlife conservation or shooting sports related knowledge. Maximum size 24 x 24 inches.*

*5412 - *Houses - Make a house for wildlife. Examples: bird house (bluebird, purple martin, wood duck, kestrel, barn owl, etc.) or bat house; no insect houses. Make the house functional so that dimensions, hole size etc. are appropriate to fit the intended species' needs. Include the following information: 1) the kinds of animal(s) for which the house is intended, 2) where and how the house should be located for best use, 3) any seasonal maintenance needed, and 4) any evidence of your personal observations from experiences.*

*5413 - *Feeders/Waterers - Make a bird bath or feeder. Examples: seed, suet, or nectar feeders. Squirrel feeder okay; no insect feeders. Include the following information: 1) the kind of animal(s) for which the waterer/feeder is intended, 2) where and how the waterer/feeder should be located for best use, 3) any seasonal maintenance needed, and 4) any evidence of your personal observations or experiences.*

Judging Time: Tuesday - 1:00 p.m.
(Conference Method)

Division Rules:

A. Members may enter four articles. These may be in any one class or in a combination of classes but must be in the phase in which they are enrolled.

B. The plan from which the article was constructed must accompany the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing and must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Note: A set of step by step instructions is not a plan. Any project with missing or insufficient plans will be lowered one ribbon placing.

C. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc. should be brought to the fair without the unsecured glass. Glass that is secured in the project, i.e., glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.

D. The entry card, plans and all other paperwork should be enclosed in a zip top plastic bag with a hole punched through it and tied or otherwise secured to the project in some manner. Tape is usually not adequate to accomplish this.

E. Projects made from pre-cut kits are not allowed.

F. The use of materials other than wood should be kept to a minimum.

G. In judging woodwork articles, consideration will be given to:

1. Workmanship, including accuracy to the plan
2. Design
3. Choice of wood
4. Suitability and quality of finish
5. Usefulness

H. Refinished/repaired/repurposed furniture should be exhibited in *Interior Design & Architecture* class 4400, Single Exhibit.

I. Firearms and weapons are not to be entered or exhibited in the 4-H department at the fair.

J. The Woodwork Division Champion and Reserve Champion may be designated by the judge from Class Champions and Reserve Class Champions

Beginning (7 to 8-year old) Classes:

- 4730 - Article for farm or shop use
- 4731 - Furniture for household or lawn use
- 4732 - Other woodwork

Intermediate (9 to 11-year old) Classes:

- *4720 - Article for farm or shop use
- *4721 - Furniture for household or lawn use
- *4722 - Other woodwork

Advanced (12 to 14-year old) Classes:

- *4710 - Article for farm or shop use
- *4711 - Furniture for household or lawn use
- *4712 - Other woodwork

Senior Advanced (15 and older) Classes:

- *4700 - Article for farm or shop use
- *4701 - Furniture for household or lawn use
- *4702 - Other woodwork

Educational Exhibit Rules:

- A. Open to all woodworking members.
- B. See poster and display guidelines on Pages 16-17 and copyright/trademark guidelines in letter M. on Page 10.
