Fair Auction Participation Requirement for 2025

4-H members will be required to attend in-person at least 4 regular monthly meetings of the 4-H club in which they are enrolled between October 1 and June 30 to participate in the project/livestock auction held at the end of the fair in 2025. Official record of meetings attended will be the club secretary's book. This requirement does not limit fair participation, only participation in the auction. Plan ahead now to make sure youth meet the requirement if they want to participate in the auction.

Fair Books

Fair books should be distributed at May 4-H club meetings. If you do not attend your club meeting, please call the Extension Office to arrange to pick up your book as soon as possible following your meeting. The book is also available on the web located at <http://www.geary.k-state.edu/4-h/fair.html>. Pre-entries will be filled out through FairEntry this year. This is an online fair management program that we will be using. Instructions on submitting pre-entries will be included with your fair book. Please read over the fair book carefully for complete rules and exhibit options. **Fair pre-entries are due through FairEntry by 11:59pm on June 27th.**

Sign Up to Receive 4-H Reminders

The Extension Office is using the Remind program to send 4-H-related reminders (including fair items) to 4-H families. To sign up to receive reminders, go to <https://www.remind.com/join/geco4h>.

Fair Livestock Insurance

A fee of \$5 per head for market beef, market lambs, market hogs, and market goats will be required at the time of fair pre-entry to purchase livestock insurance. This insurance will cover livestock from the time you leave home for the fair until you return home or the livestock changes ownership. Please plan to pay this fee by the pre-entry deadline of June 27.

Judging Contests and Spring Shows

Information about upcoming judging contests and spring shows can be found online at <https://www.asi.k-state.edu/extension/youth-programs/events/spring-shows/springshows.html>.

Hazardous Occupations Safety Training in Agriculture

Hazardous Occupations Safety Training in Agriculture is required by law for those 14 and 15 years of age to complete prior to working on a farm operated by anyone other than their parent or legal guardian. Older youth are also welcome to participate in a training hosted by multiple Extension Offices. Training details and registration can be found by calling the Extension Office. Registration is due by May 16.

Goat/Sheep/Swine Weigh-in

Weigh-in and tagging for goats, sheep, and swine will be held on May 20 from 5:30 to 7:00pm and May 22 from 6:30 to 8:00pm at the Fairgrounds. If you do not plan to attend weigh-in, ear tags can be picked up at the Extension Office. Goats, sheep, and swine must be tagged by May 2 and tag forms are due to the Extension Office by 5:00pm on May 23. Ear tags will cost \$3.00 each. If you plan to nominate livestock for state shows, you must attend weigh-in or make alternate arrangements for an extension agent to see the tag in the animal's ear in-person to meet state nomination requirements.

Nominations for commercial heifers, market swine, commercial gilts, market lambs, commercial ewes, and ALL meat goats, will be due June 15. You will need to order nomination DNA envelopes at least 10 days ahead of these deadlines. Fair Exhibits: Interior Design & Architecture vs. Woodworking vs. Visual Arts

Interior Design & Architecture includes refinished and repurposed wood projects (ex. – fixing an old wooden chair by making it sturdier, sanding, and refinishing it).

Woodworking is heavily judged on construction and finish. These projects should be something that is made from a plan. They are made of wood and normally have to be assembled, sanded, and have some type of finish applied (ex. – stain).

Visual Arts projects can be made of wood, but do not usually require woodworking tools to make (ex. – anything made from a pre-cut kit, a picture frame made of popsicle sticks).
