Fair Auction Requirement

Don't forget that in order to sell a project item or animal in the fair auction, a 4-H member must attend at least three club meetings during the 4-H year (started in October). The official record of meetings attended will be the club secretary's book. This rule will be enforced at the 2018 fair.

4-H BBQ

Help is needed to set-up for, serve, and clean-up after the 4-H BBQ on Thursday at the County Fair. Each club will need to have at least 2 adults and 2 4-H members working for the entire time of 4:00 to 7:00pm. Extra help will be requested earlier that day for preparation of the meal. Each club is asked to submit their list of workers to the Extension Office by 5:00pm on July 16th.

Fair Exhibitor Numbers

Don't forget to put your exhibitor number on all entry cards for Fair. These numbers were included in the June 4-H Newsletter.

Food Stand Details

Eddie Moege will be managing and providing workers for the concession stand this year. Charge cards will still be available for 4-H families to use.

Public Revue Talent

Any 4-H member may participate in the Public Revue by presenting a talent number. If you are interested, you can either contact the Extension Office by noon on July 16th or sign up at Fashion Revue Judging.

Photography and Horticulture Judging Contests/Help Needed

The 4-H Photography and Horticulture Judging Contests will be held on Wednesday, July 25th at the Fair. The contests begin at 10:00am. 4-Hers can begin judging any time after the start of the contest, but all forms must be turned in by Noon. You do not have to be enrolled in any specific projects to participate. Please plan to judge! Adults and older youth are needed to help with these contests. Those who volunteer will be assisting with conducting the contests by helping youth sign-up and begin judging, reading for youth who need assistance, answering questions, and making sure that no cheating occurs. If you can help, contact the Extension Office.

4-H Judging Contest Guide

A guide to 4-H judging contests can be found online at http://www.geary.k-state.edu/4-h/judging_contest_guide.html. The guide includes information about what to expect during judging contests. The guide and the website include links to resources to help 4-H members prepare for the contests. Now would be a great time to check out this website since judging contests are held during the fair.

Ambassador Sponsored Activities at Fair

The Ambassadors will be sponsoring the following during the fair:
-a friendly tug-of-war competition at 2:30pm on Wednesday
-barnyard olympics Wednesday following the swine show
Plan to participate in these fun activities!

After-Fair Family Celebration

4-H Council has decided to have an After-Fair Family Celebration again this year. This event will be held on Saturday, July 28th at the city pool from 7:15 to 9:00pm and will include swimming and snacks. Please plan to attend and celebrate the end of fair!

Horse ID Papers

Don't forget to bring your horse ID papers with you to the 4-H Horse Show. You are required to have these papers in order to participate.

Round Robin Champion Recognition

Thanks to the sponsorship of Agri Trails Coop, we now have a plaque to recognize the grand champion Round Robin recipient of the fair each year. The champion's name will be engraved on the plaque that will be on display at the 4-H/Senior Citizens Center in the showcase.

Sign Up to Receive Fair Reminders

The Extension Office is using the Remind program to send fair-related reminders to 4-H families. Sign up to receive reminders online at <https://remind.com/join/2018fair>.

2018 Herdsman Trophy

The Herdsman Trophy will be presented to the club who keeps their areas in the livestock barn the cleanest and neatest. In addition, part of the award will be based on each club's percentage of participation in pre-fair clean-up/set-up. Don't forget to sign in if you help with this so that you can get credit. See the fair book for more information.

Conference Judging

Parents and leaders who wish to observe conference judging should check with the Superintendent of the division to see if that is acceptable with the judge. If so, they can watch and listen to the judging, but should not enter into the conference between the 4-Her and the judge in any way. More information about preparing youth and parents for conference judging can be found at <http://www.geary.k-state.edu/4-h/fair.html>.

Foods Tables

Foods exhibits will be displayed on club tables again this year. 4-H Council passed a motion to leave decorations up to the clubs with the decorations limited to tiers and a tablecloth in order to save space for exhibits. Some clubs with few exhibits may have to share a table with another club.

Auction Reminder

Just a reminder that 4-H members who sell an item in the project auction or an animal in the livestock auction need to personally thank the buyer. The Extension Office will notify you when the buyer ribbons and certificates are ready that you will take to the buyer. The 4-Her needs to speak to the buyer, this is not a task for parents. In 2018, buyers will again be asked to sign-off that the youth have visited them before any money will be released.

Staying Overnight at the County Fair

4-H members who plan to stay overnight at the fair to care for livestock are responsible for having the form turned in at the 4-H Fair Office by 2:00pm on Tuesday, July 24th. All 4-Hers must have a 4-H parent stay with them that will be responsible for their safety and behavior. One parent will be responsible for NO more than six 4-Hers. A sibling over 18 may sign to stay only with his/her siblings. At 11:00pm all 4-Hers and youth that do not have permission to stay must go home.

Loading-Out Fair Livestock

The load-out process for livestock on Thursday evening of the fair will be done in the following order: 1) locker plants; 2) individual animals returning home. You are allowed to load tack out ahead of the 8:00pm release time, but not animals or you will forfeit all premiums. Your cooperation in this load-out process is greatly appreciated.

Valuables at Fair

Just a reminder that electronics, valuables, and other items should not be left lying around during the fair. The 4-H/Senior Citizens Center is a public building and should be treated as such, including the restrooms.

Dogs on Fairgrounds

Fair Board has ruled that no dogs will be allowed on the fairgrounds during the Geary County Free Fair, July 22-26. Thanks for abiding by this rule!

Fair Ice Cream Servers Needed

The Geary County 4-H Foundation needs adults and youth to serve ice cream during the evenings at the county fair. Proceeds benefit the foundation to help them provide scholarships to 4-H events and activities, as well as support 4-H members in other ways. Adult shifts will be each evening July 23rd through 26th from 5:30 to 7:00pm and 7:00 to 8:30pm. Youth shifts will be each evening from 5:30 to 6:30pm, 6:30 to 7:30pm, and 7:30 to 8:30pm. Contact the Extension Office at 785-238-4161 to volunteer.

Fair Score Sheets

Score sheets that will be used for judging of fair exhibits are now posted online so you can check them out prior to judging. They are located at http://www.geary.k-state.edu/county_fair/exhibit_resources.html.

Hashtags

As you post 4-H pictures and information on social media, please use the hashtags #KS4H and #4HGrowsHere. By doing this, you can help Kansas 4-H create a stronger and more consistent brand. For fair photos, also add #ShareattheFair.

Kansas State Fair Exhibitor Handbook

The 2018 Exhibitor Handbook for the Kansas State Fair is now available for download on the Kansas 4-H website at <http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html>. You can also get copies of sections of the book at the Extension Office.

Pre-entry of State Fair Exhibits

Any 4-H member who wants to enter an exhibit at the State Fair must pre-enter with the Extension Office by August 1st. Look to the fair book to see which classes are eligible for State Fair entry. A 4-H member must receive a purple ribbon in one of these classes and be 9-18 years old as of January 1, 2018 to exhibit at state fair. The exception to the August 1st pre-entry deadline is for livestock. Livestock must be pre-entered by July 15th.

Volunteers are being sought to help with the 4-H portion of the Kansas State Fair which will be held September 7th through 16th. If you are willing to assist, please let the Extension Office know by August 1st.

CLOTHING CONSTRUCTION JUDGING/FASHION REVUE JUDGING/ PUBLIC REVUE INFORMATION - 2018

Monday, July 16th all clothing construction and fashion revue judging will be held. Clothing construction judging will be held at the Extension Office and fashion revue judging will be held at the 4-H/Senior Citizens Center. The schedule for clothing judging is above and the fashion revue judging schedule is included on a separate page.

CLOTHING CONSTRUCTION: Please refer to the fair book for labeling instructions.

MODELING ASSISTANCE AND FASHION REVUE PRACTICE: At noon at the 4-H/Senior Citizens Center volunteers will work with 4-H members on modeling. All members will have a chance to practice modeling. (Be sure to bring the shoes you'll be wearing in the fashion revue judging so you will be comfortable walking and turning in those shoes.) Members will have the opportunity to practice modeling on the stage and moving to and from the judge's table.

FASHION REVUE: Judging of fashion revue begins at 1:00pm at the 4-H/Senior Citizens Center. Judges have been instructed to come early so that they can receive their instructions and be in place and ready to go by 1:00. We will try to start on time and stay on schedule, however, your patience is requested if judging runs early or late. You will need an entry card for each outfit you are modeling. You may get entry cards at the Extension Office before Monday, or at the judging on Monday. Please note page 29 of the fair book which has a list of items to be brought to the judging (this includes a photo of you wearing your outfit, so please plan ahead).

SOME THINGS YOU NEED TO KNOW:

- Garment numbers will be used to identify your outfit. This number will be used on the sheet the judges utilize for evaluating your outfit instead of your name. You will need to have the correct number on with the group as listed on the schedule. We will have the materials to make numbers at the registration table.
- You have been divided into groups within your division and age. The groups you are in and the times they should start are on the schedule.
- Before leaving fashion revue judging, you must complete a public revue script with detailed information on the outfit(s), talent, etc. you are presenting at public revue.**
- Please bring clothing to the 4-H/Senior Citizens Center during setup on July 22nd or Foods Judging on July 23rd to be displayed for the fair. Items should be brought on swivel hangers. Entry cards should be attached to garments and other items judged for construction. Members must have articles on display at the fair to collect ribbons and premium money.

FASHION REVUE JUDGING PROCEDURE

- You have been placed in a group with other 4-H members in your age range. Your group will line up together, however, you will be judged on an individual basis. Each judge has their preferred way to complete the judging process, but a general idea of what that might look like is included below. The judge's assistant will give you exact instructions before you model.

- When it is your turn to model, hand all of your paperwork to the person who is assisting the judge. Then give the judge an overall look at your outfit by modeling. Be sure you make several turns, pausing with your back to the judge long enough for them to get a good look at the fit of your clothes. After you have finished modeling, step up to the judge's table and see if they have any questions. They may ask you why you chose the outfit, how much it cost, how you care for it, what you like best about it, etc. When the judge is finished interviewing you, he/she may ask you to model again before returning to your group.
- When all members of your group have finished their individual modeling and consultation with the judge, your group will most likely be asked to walk back in front of the judge.
- As with any 4-H judging event, eye contact is important.
- The judges will assign you a purple, blue, red, or white ribbon just as they do in other divisions at the fair. You will not find out which ribbon you received until Thursday, July 19th at the 4-H Public Revue. (Purple ribbons are the exception as they will be called back.)
- The judges will select several garments throughout the afternoon to return at the end of the judging to be considered for Division Champion and Division Reserve Champion. Please do not leave the 4-H/Senior Citizens Center until the call backs from your group have been posted. Double check to see which number garment has been called back to be sure you model the correct garment. All call-backs are purple ribbon winners. You will not find out who has been named Division Champion or Division Reserve Champion until Public Revue on July 19th.
- You are encouraged to attend the practice scheduled at noon the day of judging. This will give you an opportunity to go up and down steps and practice on the stage.
- It is not always possible to stay on schedule so we ask that you arrive early and stay flexible throughout the day. We want to make sure everyone has time to visit with the judge about their project.
- Remember, if you have constructed your garment, it must be judged for construction in the morning in order for it to be entered in the fashion revue. As stated in the fair book, only garments can be modeled in this division. If you signed up to model a pillow or a bag, you were not included on the constructed fashion revue schedule for this reason.

PUBLIC REVUE: This is the fashion revue we hold for the public on Thursday, July 19th at 7:00pm. The event includes the announcement of clothing and fashion revue champions and crowning of the fair king and queen.

- Participation in this event is encouraged, but is not required. If participating, you must complete a public revue script with detailed information before leaving fashion revue judging.
- Setup and decorating for Public Revue will be held on July 19th at 8:30am.
- Public Revue practice is required for all participants and will be held on July 19th at 5:30pm. Please be on time for practice so we can run through the event before the public starts to arrive.
- If you are modeling two outfits in the Public Revue, you can find out which outfit you will be modeling first by visiting <http://www.geary.k-state.edu/4-h/fair.html> or contacting the Extension Office. This will allow you to come dressed and ready. Doors to the 4-H/Senior Citizens Center will be open at 5:00pm if you would like to bring clothes and get dressed there.
