

# WALK KANSAS

March 22 - May 16, 2026

## Captain Information:

We are delighted you can join us for Walk Kansas this year! Through this program, Kansans (and friends all over the world) are motivated to move more and sit less – which means you'll feel better every day.

If you have participated before, some things will look and feel familiar to you. However, we do have a new online system for registration, logging and tracking your progress! Again, most of Walk Kansas is provided virtually, however, you will want to check for any events and opportunities provided in your local community. All participants will receive a weekly message to connect them to the Walk Kansas newsletter, webinars, and other resources.

Online registration opens March 1. Check your local Extension Office website or [www.walkkansas.org](http://www.walkkansas.org) for details. If you are on Facebook, like Kansas State University Walk Kansas.

Here is a step-by-step guide to register your team (online and paper) followed by general program information.

## REGISTER ONLINE:

□ Before you start registration, recruit team members (a team of 4 is suggested – new this year, the system will automatically pro-rate activity minutes, etc. so that everyone is on an equal playing field.) □ Team captains will register their team (you'll need team member's email address) and you will be asked to pay for the number of people participating (\$10/person), so be prepared to pay with credit card or follow up by sending a check.

□ Talk with your team and select a goal based on the amount of moderate/vigorous activity each person will commit to per week: 8 Wonders (435 miles), US Route 56 (640 mi.), Cross Country (764 mi.), and Little Balkans to Nicodemus (1200 mi). Also, choose a team name (anything goes!)

□ Now you are ready to register online at [www.walkkansas.org](http://www.walkkansas.org). If you reach a point, during the process, where you don't have all of the information you need, click CANCEL and start over later. (Please do not exit out of the system without hitting CANCEL.)

**Note:** If you share an email address, create a fake address for one of those participants, such as [Willie@noemail.com](mailto:Willie@noemail.com). Correspondence will still go to the shared email address where both can access information. The unique email address is also the username for each participant.

### **Reminders for captains:**

- ▶ **Read through the participant materials, including the Activity Guide. There is information here about pre/post fitness tests that your team may want to do, and this is an activity you could do together. These are optional and can be very helpful and motivating. Make sure you also review what counts as Walk Kansas minutes in the Activity Guide.**
- ▶ **Communicate with your team each week (email, chat in Walk KS system, phone call or in person.)**
- ▶ **Read weekly newsletters and chat with team-mates about the info; try the recipe in the newsletter.**
- ▶ **Encourage team-mates to view the webinars live or the recording.**
- ▶ **Stay informed of events and activities offered in your community and participate when you can!**
- ▶ **Plan a fun activity(s) your team can do together during the 8 weeks of Walk Kansas.**

**While Walk Kansas is sometimes viewed as a (friendly) competition, reaching the goal your team has selected is the most important. Be realistic, keep it fun and don't worry about what others are doing or reporting. Be honest, be supportive to others and have a great Walk Kansas!!**
